THE ANNUAL QUALITY ASSURANCE REPORT (AQAR)
SUBMITTED BY THE IQAC (2007-08)

Name of the Institution: - SACRED HEART COLLEGE, THEVARA, KOCHI -1
(NAAC Re-Accredited A⁺ College)

Year of Report : 2007-08

Background

The academic year 2007-2008 began on a happy note when the NAAC reaccredited us at the A+ level for scoring 90+ in all the seven criteria for assessment. This year was a year of introspection, correction and consolidation for us in tune with the NAAC peer team recommendations. This year we worked for the optimization and integration of modern methods of teaching and learning.

With 1892 students from backward, urban, and semi-urban backgrounds on its rolls, and with a sprinkling of non-Malayalee students in most classes, we have a cosmopolitan campus. Six of our Departments are recognized research centres for PhD under the MG University. The College has on its faculty 71 regular and 43 guest lecturers; 22 of the regular faculty are PhDs and 38 have M Phil. Of the 9 teachers, who were on FIP, 5 have been awarded Ph.D the rest are back in their respective departments after submitting their theses. We have 50 members on the establishment staff.

Talks on right to Information Act, Need for Peaceful Campus, Environment Protection, Health and Hygiene were arranged during the year. A 10 day special camp was conducted in Thrikkakara,

in association with Gandhi Peace Foundation, Thrikkakara Grama Panchayat and Rajagiri Outreach Centre.

Janaparvam

Under the Village adoption scheme, the Department of Economics launched JANAPARVAM to enhance the quality of life and integrated development of BPL families in Maradu Panchayath in the year 2006-07. The programme is conducted with the involvement of students and teachers of various departments of the college. The objective of the programme, extending over a decade is to provide quality education to U.P and High School students of BPL families and to evaluate and monitor the standard of living of beneficiaries. Besides taking classes the students were given the opportunity to familiarize themselves with the Chemistry, Zoology, Physics and Botany labs of our college. The Janaparvam activities continued for the year 2006-07 also.

AICUF

All India Catholic University Federation (AICUF) conducted various programmes during the year 2007-08. Different camps on various topics were arranged and the camps imparted the idea of AICUF society based on social justice. As part of Christmas celebrations, the AICUF members paid a visit to the Old Age Home at Thevara run by the Sisters of the Destitute. The last camp of the year 2007-08 was a state camp conducted at Sacred Heart College, Thevara. It was on the topic 'Human Rights & student's response. 60 members of different colleges attended the camp. The camp made the participants aware of their rights and duties. Election of office bearers were held on 1//08 and valedictory function was conducted on 29/2/08.

Women's Cell

Women's cell organized Legal Awareness Classes along with the NSS for the second year degree students. Members from the Kerala Legal Science Authority took classes on the various aspects of law. A workshop on paper bag manufacturing was conducted on Dec. 8, 2007. Prof. Thresiakutty from Morning Star Home Science College, Angamaly led the workshop. Students manufactured paper bags in the two hour work shop.

Jesus Youth

The activities of the Jesus Youth in the year 2007-08 started with a one day programme. "Ablaze" by Jesus youth, Ekm Zone. They gather every Wednesday for prayer session. Under the leadership of Jesus youth 10-day rosary was

recited in October and Christmas was celebrated in December. Jesus Youth takes initiative for the 'Pothichoru' programme, meant to feed the poor.

The Music Club

2007-08 has been a musical "leap" year of sorts, with an array of honours, trophies, and fabulous prizes. The club was on a roll, with the prowess and huge potential of our young talent on glorious all around display virtually giving the impression that the Sacred Heart's is a veritable nest of singing birds and dancing fairies. Proudest among the honours so far, has been winning the I Prize in the prestigious inter-collegiate dance, music reality show- RANGOLI- by Symphony T.V., telecast in Surya Channel. In this mega event, beamed across the globe and participated by over 40 colleges, our college won wide ranging acclaim from the connoisseurs and the general public. Bony Mathew won Special Jury Award for the best all-rounder. Rangoli Trophy is a watershed in the cultural history of Sacred Hearts. In a similar, bigger Mega Reality show 'STAR WARS', being aired by Kairali T.V. participated by over 100 colleges across the state, our Music – Dance team is given highest rating by the expert Jury, and is now poised to grab the time light in the remaining rounds of competition. In the M.G. University Youth Festival, M. Madhu (I M.Com) and Aiswarya (II BA Copy Editor) won the II Prize in classical and light music respectively. C.S Prince II BA, and Manjusha (II BSc) won the I Prize and II Prize in instrumental Music and classical music respectively. Susan Correya (I BA Copy Editor) secured the III position in the Western Music (Solo) Competition, in the Youth Festival. The Music Club members were active in various cultural events of the campus.

The Dance Club

The current academic year has been a very fruitful year for the dance club members of the college. Soon after the re-opening of the college a variety of dance groups were formed and equipped to participate in various inter-collegiate dance competitions. Notable among there are Rangoli and the ongoing clash of the titans, the Star Wars. This year the members represented our college in the University Youth festival and secured prizes. Heartifest, the most colourful cultural festival of the college was celebrated with various dance forms. The club activities attempted to instill an attitude of sharing, hard work and team spirit among the members.

Speakers' Forum

The speakers Forum which nourished and nurtured the composite culture of public speaking, Debate and Model Parliament has 35 active members in the year 2007-08. It conducted weekly sessions of speech practice, group discussion

and parliamentary procedure and process. Comprising the best and talented students imbued with exemplary organizational skill from across various faculties, the forum is the live-wire of literary- cultural life of the campus. Besides its regular activities the speakers forum took the leadership in organizing the Sargapadham, Hrdya Sarga Sangamam and one day, film festival in association with the Cochin Film Society. The study Circle for the “Civil Services and other Competitive examinations” is functioning under the aegis of the forum. ‘SARGAVEDI’ an arena for the pure and classical forms of art and literary activities was revitalized at the initiative of the Speakers Forum. It is so gratifying that the forum organized most of these programmes in close co-operation and co-ordination with other clubs like the Literary, Music and Dance Clubs. A new venture named Suada an inter-departmental debate competition was launched in this year. The team of Ms. Nandini Nair and Ms. Sradha representing the Economics Dept. won the ever rolling trophy for the best team and Nandini was adjudged as the best debater. Our college team comprising of Abraham Jose of I DC Sociology and Sradha of I DC Economics came second in the prestigious Sr. Digna Debate Competition, with Sradha winning the best speaker Prize. The members visited an orphanage in Kaduthuruthy and spent two fruitful hours with the children.

Primrose Nature Club

Primrose Nature Club organized various nature awareness and nature conservation programmes this year. The Primrose Nature Club observed the World Environment Day on June 5th 2007. The club members regularly meet on every alternate Wednesday to discuss the current environment issues. On 9th July 2007, in association with Greenpeace, conducted a signature campaign in favour of the use of CFL bulbs against ordinary bulbs to reduce CO₂ emission and global warming. The club conducted the Flower Carpet competition on 16th August 2007 at the college portico. Attractive cash prizes were given to the winners. Classroom Beautification Contest for the year started on 1st week of September. This year II B Sc Physics, II B A Economics and I B Sc Mathematics won first, second and third prizes respectively. In collaboration with Clean Kochi project of Kerala Builder’s Forum our club conducted an audio visual presentation on Aerobic Microbial Waste Management on 28th September 2007 in the Marian hall. This year the club members had a Nature Study Camp at Chinnar Wildlife Sanctuary. As part of the National level Oil/Gas Conservation fortnight observation, an awareness programme was conducted in our college on 22nd January 2008. Dr. Joseph T Moolayil gave the oil conservation message. An essay writing competition was also conducted and cash prizes were awarded by Bharat Petroleum Corporation and KRL Kochi.

Tourism Club

The activities of the Tourism Club for the academic year 2007-08 were inaugurated by the Principal on August 16th, which was followed by Onam Celebrations. The Club organized a seminar on adventure expedition on August 1, 2007. Rejan Andrews a member of the Signalers Thrishul, Indian Army Adventure Expedition team to Mercury Peak in Himalaya delivered the keynote address. On September 27, the World Tourism Day, the club conducted an open quiz competition. A two day adventure trekking camp was held at Chellikayam from 17th to 18th September. 35 students including 10 girls and 25 boys attended the camp. Club members visited Vachumaram primitive tribal colony near Sholayar on December 8th and distributed rice and study materials to tribals. On the same day a tourist interaction programme was conducted at Vazhachal with some domestic tourists. This year's most prestigious event was an adventure trekking trip to deep forests of Karappara hill top in the Nelliampathy forest range from December 28th to 30th. Ten students and three staff members stayed two days in tents in the thick forest - the haunt of elephants, tigers, leopards and so on.

Literary Club

The Literary club was inaugurated on 13th October 2007, by famous journalist and social activist, Sri. K.N. Shaji. Around 60 students joined the club. The members met frequently and discussed current events of literary and social importance. Club members gave its active support to the conduct of the prestigious, 'Sargapadham', Hridya Sargasangamam' and Heartifest'. A film festival was conducted on 16th November 07. Literary club members arranged a pookkalam in the college portico in connection with Onam Celebration. In connection with the Malayalam week celebrations a quiz competition was held.

Youth Red Cross Society

Youth Red Cross (YRC) organized district level 'Annual Study Camp' for the year 2007-08 at St. Joseph's Training College, on 30th November and 1st December 2007. The participants were trained in 'First Aid' and also 'Disaster Management'.

'DIET' (College Canteen)

The College Canteen 'Diet' managed by the S.H. Staff Welfare Association is committed to serving the culinary needs of the campus and the local public. In the fourth year of its operation, it has added several infrastructure facilities and feels gratified that it is able to provide hygienic and quality food at affordable

price. The canteen also provides employment to about 15 persons and free meals to a few of our deserving students. This year onwards the canteen has begun to undertake out door catering.

Campus Recruitment and Placement Cell

The placement and training cell achieved remarkable progress during the academic year 2007-08. The placement cell tried to bring in only reputed companies to the college campus, who would encourage the academic pursuits of students along with employment opportunities. The first major step towards this was done with the selection of students for the WASE programme of WIPRO Technologies on 3rd October 07. Five brilliant students were selected by WIPRO from this college, and these students can work with WIPRO, and also pursue the MS Programme of BITS Pilani. The other major recruiters, during the year were: - J.P. Morgan, Google.com, Glaxo Smithkline, Indian Tobacco Company, Federal Bank Ltd., Tata Consultancy Services, Infosy's Technologies, KGISL – Coimbatore, Clear Logic Technologies, Soft Scribe Pvt. Ltd., Kenday Ltd. (Nairobi, Kenya), Asian Paints Ltd. and Alliance Cornhill. A total of about 120 students secured placements in various organizations during the year. In addition, Sutherlands Global Services and, Outsource partners international (Info-park) have also agreed to conduct campus recruitments during this academic year.

Soft Skills Training Programmes and Scholarship schemes

With a view to enhance the employability of students the placement cell also started soft skills training programmes for the final year students. During the year, 4 such training programmes were organized. The training is done by the trained trainers available at reputed institutes. During the year, the cell also tried to arrange scholarship assistance to the needy students on a merit cum means basis, from certain reputed organizations. As a beginning, scholarships of Rs. 5000/- each were given to 20 students of B.Com and M.Com by OPI Global – A US Company in Info Park Kochi.

Co-Operative Society

The College Co-operative Society has completed 31 years of service. As usual the society has undertaken many projects for the overall development of the college community. The DTP centre, is another millstone in its growth. This year 35 students got the benefit of 'Vidyarthi Kshemanithi' which was instituted to help the economically weak students in the college. To promote the research aptitude in the PG students, the society conducts a project presentation

competition every year. This year it was conducted on 12th November 2007 and the winners were given certificates and cash awards.

St. Vincent de Paul Society (SVDPS)

SVDPS as usual collected Rs. 87645/- from the faculty members this year also. The money collected was disbursed for 6 adopted families and one student (Rs. 35 700/-), Medical help (Rs.6400/-), Educational help for 16 students(Rs. 32150/-), and for Other helps (Rs. 13395/-).

2. New academic programmes initiated (UG and PG):

Applied for courses such as a) B. Com b) B. Sc Bio-technology and c) M. Sc. in Bio-technology to Mahatma Gandhi University for recognition and waiting for the approval.

3. Innovations in curricular design and transaction:

The science departments have made a preliminary discussion for the e-Content development and associated web based learning.

We have taken an effort to encourage individual teachers, groups of teachers in content development and multimedia production to develop educational content in electronic format, suitable for use in various teaching and learning programmes.

The objectives of the proposed programme were to:

- (a) Promote generation of e-Content in all subjects;
- (b) Develop teachers' and experts' resources in e-Content creation;
- (c) Make available the e-Content to teachers and students through various delivery modes for formal and non-formal education, for supplementing and complementing the process of teaching and learning in higher education;

INNOVATION IN TEACHING AND LEARNING

LCD projectors and OHP projectors are being used for teaching and imparting knowledge to the students. Audio-visuals and E-learning facility are available to students. Language lab facility and CDs of information and entertainment are being made use of by the various departments.

The following members of the faculty have made valuable contributions in the curriculum design and transaction of the Mahatma Gandhi University and at the college level.

7. INITIATIVE TOWARDS FACULTY DEVELOPMENT PROGRAMME:

Departments have organized seminars and invited talks at the college for enhancing quotient knowledge updation of the faculty and students. College Management has encouraged the faculty members to attend the seminars, workshops, refresher courses, orientation programmes organized at National, International, State and local levels. Many of them have attended the same. Faculty are encouraged for doing Ph.D, Post Doctoral Fellowships and to work as resource persons, visiting faculty, Examiners and consultants in various disciplines and different universities. At present 11 faculty members are doing Ph.D. (Mathematics-2, Zoology-2, Chemistry -2, English-1, Physical Education - 1, Economics-2, Commerce-1) and two are doing PDF (Botany-1, Economics-1). Monthly faculty meetings always leave space for quality consciousness. The following faculties have attended seminars/Refresher courses/workshops at national/regional/international levels as a part of the knowledge updation and gaining exposure in their field of specialization.

Collaborative and Research Programmes of the Zoology Department

1. Dr. P. A. Sebastian and Prof. Aparna Dutta Gupta, School of Life Sciences University, Hydrebad - As first phase of collaboration one of the Ph.D. students of Prof. Gupta was trained in the field of Arachnology in the research lab of Dr. P.A. Sebastian.

2. Dr. P.A. Sebastian has entered in to collaborative research work with Dr. Norman I. Platnick, Division of Invertebrate Zoology , American Museum of Natural History NewYork, on 'Oonopid Spider'.
3. Research activities of the Zoology Department were in the limelight this year. Prof. Samson Davis Padayatty (HoD of Zoology), Mr Sunil Jose, Mr Sudhikumar and Mr E. Sunish Research scholars under Dr. P.A. Sebastian participated and presented papers at the '23rd European cell of Arachnology' held at Sitges, Spain. Mr Sudhikumar has been selected to a two year training programme in 'Molecular Taxonomy' in Ghent University, Belgium and has joined there. The faculty members are actively engaged in research and have published a lot of research articles.
4. Dr. P.A. Sebastian has collaboration with the Kerala Agricultural University, Thrissur in connection with his projects

12. RESEARCH GRANTS RECEIVED FROM VARIOUS AGENCIES:

Department such as Economics, Botany, Zoology have received research grants from Kerala State Council for Science, Technology and Environment, UGC, etc.

15. HONORS/AWARDS TO THE FACULTY:

Faculty Achievements

- Five of our teachers have been awarded Ph.D by various universities. They are Dr. Georgekutty Joseph, Dr. Joseph John, Dr. Joseph T Moolayil, Dr. Mathew Jose and Dr. P E Cherian.
- Dr. P. A. Sebastian, and Mr. Mathew M. J. presented papers in the 16th International Arachnological Congress held at Sao Polo, Brazil.
- Dr. M.P. Sebastian of Mathematics department has received the Dr. Dan Thottakkara Best Publisher award.
- Dr. M. George presented a paper in the 55th ASMS Conference in Mass Spectrometry and Allied Topics held at Indianapolis, USA. The paper was co-authored by Prof. V S Sebastian of the same department and he was resource person to National seminar held at St. Thomas college, Pala
- Publication of Books: Dr. V T Jose - The Rural Urban Dynamics and Land Use Pattern, Prof. Jacob Varghese - Alankarachedikal and Prof. M P Sebastian published 6 Maths text books for plus two students of different streams. The

name of Prof. Jacob Varghese often appears in the columns of The Hindu and certain Malayalam Dailies.

- Dr. George Joseph was resource person to Kerala State Higher Education Council.
- Dr. M.S. Francis is life member of the Society of Marine Biologists Association
- Dr. Joy P Joseph has conducted technical discussions with tissue culture technicians at Spices Board Laboratory, Kochi.
- Dr. C.M. Joy was deputed to Kerala Forest Research Institute, Peechi as Registrar. He was UGC observer to NET for JRF and Lecturership Exams; Chairman, Technical support group; Total sanitation and Health, Ernakulam District; Chairman, M.Sc. Board of Examinations in Environmental Science, Calicut University; Member working group on Environment, XIth Plan, Govt. of Kerala and Managing Editor, Jalatharangam tri monthly journal published by All Kerala River Protection council.

21. IMPROVEMENTS IN LIBRARY SERVICES

College Library

The general library of the college has a collection of over 75,000 books and it subscribes to 76 journals. In addition to the general library, there are departmental libraries for Economics, English, Botany and Zoology. The general library has a spacious reference section with a seating capacity of around 120, and has a collection of over 10,000 books for reference. Computerization of the library has helped the issue of books more easy.

In the library surveillance camera was fixed during the current year. Search facility was also added in this year.

Internet Access

Accessing the Internet for learning purposes is encouraged and is often a part of exercises and assignments given to the students. The college offers internet access to the students at PG class rooms and the computer Centre

Audio- Visual Centre

Audio -Visual Equipments - LCD TVs, MP3/ DVD players, HD video camera, LCD Projectors, educational CD/ DVDs are provided for the students and staff to conduct classes, discussions, Tele conferencing etc. The digital recording facility is in place to enable the students to record, analyse and perfect their skills in group discussions.

Fr. Theobald Digital Studio

State-of-the-art technology in videography is provided in this facility. The studio is equipped to perform video recording, dubbing and editing for production, documentation and presentation.

Connectivity

College office, Departments, Library, Chavara IT centre and P.G. Classes rooms are linked through wired and wi-fi methods. This facilitates digital learning, internet access, online classes, interactive sessions etc.

22. New books/journals subscribed and their values

All departments have received new books and journals through the Library. Library books valued Rs. 635533/- and journals worth Rs. 42626/- were purchased during the year.

23. Courses in which student assessment of teachers is introduced and the action taken on student feed back:

Feed back received from both the UG and PG Classes. Student requests and suggestions were incorporated in the academic and infrastructural activities of the college. Faculty and the Management have given utmost importance to the feed backs received from the students and appropriate action have been taken. Some of the faculty are conducting GD and personality development programmes to P.G. Students.

24. UNIT COST OF EDUCATION

The unit cost of education including and excluding the salary component are Rs. 24544/- and Rs. 8312/- respectively.

25. Computerization of administration and the process of admissions and examination results, issue of certificates:

College office administration such as admissions, examination results, salary bill etc are fully computerized.

26. Increase in the infrastructural facilities

Improvements in infrastructural facilities like laboratory renewal and departmental renovations, Zoology and Botany museum renovations, Inception of Rev. Aquinas Library at the Department of Botany, addition of new equipments, audio-visual facilities, Computer/lap top facilities, additional library books, teaching and learning materials etc were added to all the departments. In addition to that the following infrastructural facilities were completed and made full use during this academic year :-

Auditorium & Marian Hall

The Auditorium and Marine Hall are meant for the common programmes of the college such as orientation programmes, exams, training programmes and competitions. It has a seating capacity 1200 whereas the Marian Hall can seat 250.

Seminar Hall

A well furnished a/c seminar hall meant for training programmes, seminars, and conferences of very special nature. It can accommodate 200 people, and has a dais for guests, and equipped with the latest audio-visual facilities.

Conference Hall

This is basically meant for the official use of the college such council meeting, staff selection interview, highlevel meetings with government and other officials and important policy, meeting with management. This is situated adjacent to the Principals office

Rain Water Harvesting Plant

To create awareness for the water conservation among students and public: the college has installed a 50,000 litre capacity tank for harvesting rain water. In addition to the potable needs, it is envisaged to irrigate the surrounding botanical garden and replenish the existing hard water pond.

Vermi composting System

As part of the waste management programme, The College has installed a vermicomposting unit which helps to collect, seperate and convert in to reusable products and as well as vermicompost.

Bio-gas Plant

A bio-gas plant has been built for the college canteen (Diet) and its functioning as a source of fuel for the cooking .

Hostel

The college provides residential accommodations for P.G. students with single occupancy rooms, adjacent to the college building and under the supervision of the college management.

Co-operative Society

The Co-operative society functioning in the college has all the staff and students as its members. The store run by the society for the benefit of the college community supplies books and stationery at subsidised rates.

Sports & Games Facilities

400 mts 8 lane track & field, Basketball Flood-lit court, Volley ball Court, Shuttle badminton Court, Ball badminton Court, Football Field, Judo wrestling & Yoga Hall, Cricket pitch, Cricket Nets, Table Tennis, Handball Court, Softball Field. "Shape" Fitness Centre, Cricket Academy, Judo Coaching Centre, and the Chess Club as other facilities for select discipline

“Shape” fitness Centre

A complete fitness concept that blends body workouts, recreation and healthy camara derie. It aims the alround development intellectual, psychological, social, spiritual and physical fitness of young men and women under its care and regimen.

‘Diet’ - Canteen

The college has a canteen [Diet] facility for students, teachers, and staff which is run by Staff Welfare Association. The canteen is open from 6.30 am to 9.00pm

Public Telephone

The mobile phones are banned in the campus instead, four pay phones are kept at various locations .Telephone facilities are also available at Co- operative Society and canteen.

Photo copying

Photo copying services are provided at subsidised rate both at the library and the college co-operative society in the campus.

Bank, ATM

An extension counter of State Bank of India is functioning in the college campus. And also has the Automatic Teller Machine (ATM) facility of State Bank of Travancore group in the college building.

Post Office

The Thevara Post office [682013] functions in the campus building.

27. Technology upgradation

New instruments, computers, LCD projectors, TV and Audio systems were added to various departments as a part of technology up gradation.

28. Computer and internet access and training to teachers and students:

Computer Centre

The College has a computer centre capable of providing high quality training to the students. In recognition of the quality and standards maintained by the computer centre, the central government, IGNOU has accredited the centre for conducting various courses & programmes.

Net Working

College office, Departments, Library, P.G Classes, are linked through wired and wifi method. It facilitates digital learning, internet access, on line classes, interactive sessions.

Internet Access

Accessing the Net is encouraged for learning purposes and is often a part of exercises and assignments given to the students. The college offers internet access to the students at a subsidised rate in the computer centre.

Audio- Visual Centre

Audio -Visual Equipments - Colour T.V, MP3/ DVD player, LCD educational CD/ DVD's are arranged for the students and staff to conduct classes, discussions, Tele conferencing etc.

COMPUTER AND INTERNET ACCESS TO TEACHERS AND STUDENTS

Computer and internet facilities are available to all the staff and students of the college. Teachers and students are being trained in the new computer laboratory. DELNET facility has been introduced in the P.G. classes of our college. The Zoology Department has a computer lab with seven computers exclusively for students. Two computers with internet facility are available in the department library. Six computers with internet facility are available for use by the staff, research scholars, and P.G. students of the Botany Department. The teachers and students of the English Department took training in using Campus Net and using the New Language Lab. Computer Centre

The College has a computer centre capable of providing high quality training to the students. In recognition of the quality and standards maintained by the computer centre, the central govt, IGNOU has accredited the centre for conducting various courses & programmes.

36. Activities of the guidance and counseling unit:

Academic and Personal Counselling Centre

The college avails the service of trained counsellors for helping the students. Counselling is aimed at the health and growth of the total person. Counselling helps the student to become aware of his/her real problem; to own his feeling; to know the rationality of the thoughts behind negative feelings; to take decisions that will be conducive to one's growth; and thus to use one's psychic energy creatively. Students who need counselling may avail themselves of the opportunity. Confidentiality is ensured in all matters.

Objectives of the centre :

- To make students understand the need and importance of healthy interpersonal relationships.
- To help students to help themselves in times of crisis, by showing them "tips" to face various crises of life.
- To organize seminars, group discussions and provide personal guidance to the youth.
- To make the students understand their strengths and weaknesses and to help them to develop further their "strengths".
- To offer the students a real 'space' in the campus, where they can meet and share their personal problems with confidence, trust and confidentiality.
- To provide our students, if they need, professional help and treatment.

NATIONAL SEMINAR ON "SELF RELIANCE IN SPACE AND RESEARCH"

National Seminar on "Self Reliance in Space and Research" organized by Swaraya Bharat & Department of Physics was held at 9.30 P.M. in the Melisius Hall on 10-10-2007.

The inaugural address of the National Self-reliance Seminar was rendered by Sri Ananda Narayanan- director of NPOL on 11th October 2007, in the Marian Hall.

He gave insight into the real connotation of Self-reliance. Defense is an integral part of self-reliance programme. Internal security is to be totally taken care of as economic development is very much dependent on internal security. Huge size of the armed forces alone cannot provide security to the entire economy. Social fabric of the country has to be kept intact. "Security is everybody is concern".

Defense refers mainly to external security. The defense of a country depends upon its defense policy and happenings in the immediate neighborhood Strategic neighbourhood is important (ex: Kuwait invasion). We need to protect our selves from strategic neighbourhood changes. International security depends on our dealing with other countries. The policy should be centered on the interest of the country.

Honouring of the rank holders of the Hindi Pre-Test 2007-2008 was held in the college on 31st January 2008.

The function commenced with a prayer song. It was followed by the welcome speech by Dr. K.K. Paulose , HOD of the Department of Hindi .The principal Fr. A.J. Saviance spoke on the achievements of the students of the Sacred Heart College and the need to appreciate and encourage their credits. He added that we can grow and also help others to grow only if we recognize ,admit and encourage the achievements of others. Ms. Suma Thomas NAAC- IQAC jt. Co-ordinator felicitated the three first rank holders , Shyam .V. Madhavan, Nimmi George,and Amitha Singh. She said that each student should feel proud and

privileged for having got a chance to study in this noble institution ,which is excelling in academic ,co-curricular and extracurricular activities. She exhorted the students to cultivate their minds in such a way that they are above petty factionalism, and intolerance along with their academic achievements. Only then can they be able to love others, respect and tolerate others and be more creative and fruitful. They should imbibe the virtues imparted by this institution, and shine where ever they are once they leave the portals of this institution.

Mr. Rajesekharan, Hon. Secretary of the Dakshin Bharat Hindi Prachar Sabha , in his address to the students narrated the history of Hindi Prachar Sabha. It was mooted by Mahatma Gandhi along with Annie Besant , at Madras in the year 1918. He said that long back in 1957 though the education bill to make Hindi compulsory was opposed by the education Minister Prof. Mundasserry, the then chief minister E.M.S. Namboothiripad surpassed it and made the study of Hindi compulsory in the state He wished the students all the best in their lives and imparted a few techniques to master hindi grammar easily.

The rank holders expressed their gratitude and happiness through their reply speech. A melodious music performance by our student added charm and beauty to the function.

Prize distribution was the last item of the programme. The trophy for sending the maximum number of students to the Hindi Pre-test Examination from among the colleges under M.G. University was awarded to our college by the Dakshin Bharat Hindi Prachar Sabha. The trophy was handed over by Sri Rajashekaran to the principal Rev. Fr. A.J. Saviance. It is the sixth time our college is bagging the above trophy. Awards to the winners were distributed by Sri. Rajashekaran, Ms. Suma Thomas and Prof. W.T. Paul.

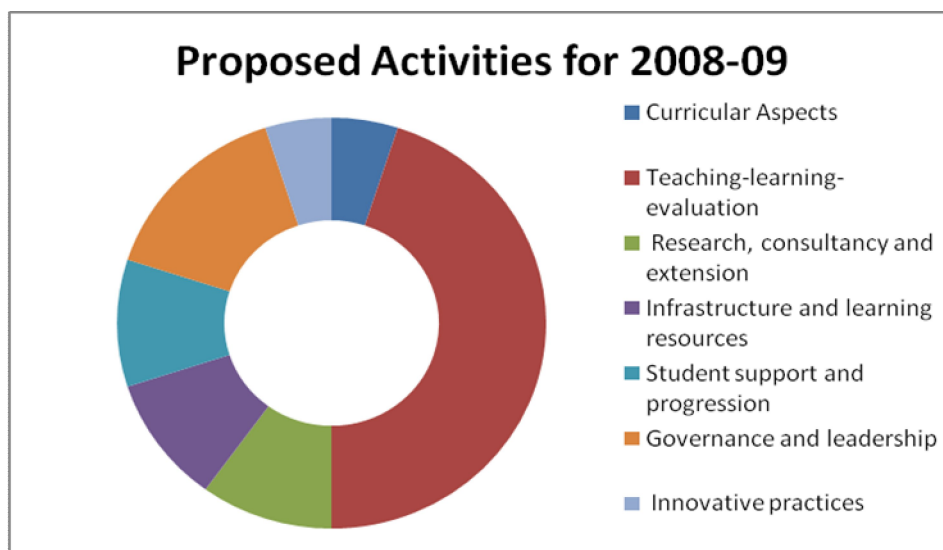

PART C

Detailed plans of the institution for the next year

Our planning for the next academic year is based on five values of assessment of higher educational institutions such as: -

- 1 Contributions to national development
- 2 Fostering global competencies among students
- 3 Inculcating a value system in students
- 4 Promoting the use of technology
- 5 Quest for excellence in all disciplines

We will ensure a timely, efficient and progressive performance of academic, administrative and financial tasks. Modern methods of teaching, learning and evaluation will be integrated with the system.

Various workshops, seminars on different aspects will be conducted. Top priority will be given to documentation of the various programmes/activities of the college. Internal communication system will be strengthened. Faculty and administrative staff will be encouraged to participate in the programmes to improve their individual quality.
