ANNUAL QUALITY ASSURANCE REPORT (AQAR)
SUBMITTED BY THE IQAC (2010-11)

Name of the Institution: - SACRED HEART COLLEGE, THEVARA,
KOCHI -13
(NAAC Re-Accredited A⁺ level in 2007)

Year of Report: 2010--2011

Background:

As the college celebrates its 66th year as a knowledge centre for human resource development, it's our proud privilege to present the activities and the resultant progress towards this great goal of forming wisdom seekers with righteous heart (as does the motto of the college go: Cor Rectum Inquiri Scientia – A Righteous Heart Seeks Wisdom). In this 66th year, after a full term of 6 years of visionary leadership, Rev. Fr. Savience CMI handed over the charge of administration to Rev. Dr. Johnson Palackappillil CMI, generally called Fr. Prasant, on June 2010. There was an inter-regnum of 2 months of April & May, when the college was smoothly administered by the senior-most member of the faculty and HoD of Commerce Department, Dr. K.X. Joseph. The college proudly and gratefully remembers the tremendous strides towards excellence accomplished through the unassuming leadership and tireless efforts of Rev. Fr. Savience CMI.

As of now, the college is re-accredited at A⁺ level, and is one of the first colleges in the country to be granted the status of Centre with Potential for Excellence by UGC. At present, it has around 1800 students in 11 UG & 10 PG programmes, and about 39 research scholars in the 6 centres of doctoral studies under MG University with 34 research guides attached to them. The majority of the students of the college fall in the lower economic strata of the society, and almost 75% of them receive some scholarship or other from government or various other agencies. The faculty strength at present is 93, with 13 of them falling under the self-financing section. Besides, there are 28 guest faculty members as well.

There was an addition of 15 faculty members this year – 4 each in Chemistry, English and Mathematics, and one each in Commerce, Economics & French. We have 47 members on the establishment staff who are known for their commitment.

Those who facilitated the staff involvement were the Staff Secretary Prof. V.M. George, Staff representative Dr. M.S. Francis, Gen. Council Secretary Prof. P.J. Joseph, Office Superintendent Mr. V.A. Jose, Senior-most faculty and Commerce department HoD Dr. K.X. Joseph, IQAC Coordinator Dr. C.M. Joy, and College Bursar Rev. Fr. Jobi Xavier CMI.

CORE VALUES: The college in its tireless pursuit of academic excellence tries to strike a delicate balance between the two other core values of creating a secular outlook, and having an unflinching faith in God as the foundation for development. The year began, as usual, with solemn inter-religious prayer and separate orientation sessions for the newcomers and their parents. A special mass was held for the newcomers. The tradition of starting every day, and every programme remembering God's name and the need for divine grace is maintained. Being a Christian minority institution of the Syrian Catholic community, the duty of maintaining the religio-cultural traditions and values is conscientiously kept by efforts like monthly Holy Qurbana (Mass) for Christian students, prayer group of Jesus Youth, involvement in the activities of Xavier Board of Higher Education and All India Association of Christian Higher Education (AIACHE) etc. There was a renewal retreat for the III DC students, and similar retreats will be held for all batches.

Part A

DETAILED PLANS OF THE INSTITUTION FOR THE YEAR 2010-11

The new Principal convened an IQAC meeting, which chalked out the framework for quality improvement for the academic year 2010-11.

Our planning for the academic year 2010-11 was based on five values of assessment of higher educational institutions such as: -

1. Contributions to national development
2. Fostering global competencies among students
3. Inculcating a value system in students
4. Promoting the use of technology
5. Quest for excellence in all disciplines

We ensured a timely, efficient and progressive performance of academic, administrative and financial tasks undertaken during the academic period. Modern methods of teaching, learning and evaluation were integrated with the system.

Thrust Areas Focused during the academic year 2010-11

1. Focus on academic discipline. For this norms will be developed
2. Quality improvement of the Teaching faculty – especially on the use of ICT.
3. Training Facilitating purchase of individual laptops for the members of the faculty.
4. Quality improvement of administrative staff – training.
5. To introduce web based internal communication.
6. To ensure 24 hour connectivity on the campus
7. To further improve the global image of the college by drastic re-designing of the website, by making it an interactive academic resource base.
8. Research based planned community intervention.
9. Strengthening the on-going GO GREEN campaign – introduction of pilot upland farming plot; butterfly garden, vegetable garden, partner in the 15 year clean campaign, waste management unit.
10. Value education and student feedback through tutorial sessions. Target 8 tutorials & student retreat.
11. Obtaining minority status for the college officially.
12. Inter-disciplinary programmes – SHARE, Science Congress, Publication, INSPIRE, Instrumentation Room.
13. Policy regarding staff quality improvement – selection, induction, continuous improvement, indicators, incentives.
14. Ensure new faculty intake through the formal process, and ensure systematic familiarization of the faculty to the college culture.
15. Developing a manual of quality maintenance – traditions, processes, procedures.
16. Encouraging faculty to present papers at seminars in India and abroad
17. Encouraging students to participate in co-curricular and extracurricular activities
18. Training for Hindi pre-test examination to be given to the students.
19. Expedite the infrastructural and technology up-gradation programmes through CPE funds.

20. Construction of women's hostel is progressing

21. Campus beautification programmes will be strengthened.

The outcome achieved during 2010-11

Various workshops and seminars on different academic aspects were conducted. Top priority was given to documentation of the various programmes/activities of the college. Internal communication system was strengthened. Faculty and administrative staff were encouraged to participate in the programmes to improve their individual quality.

- College rated as No.1 College in the state by India Today for the fourth year in succession.
- Three training programmes were organized for the staff on General Informatics under the sponsorship of Kerala State Higher Education Council.
- College took the initiative to purchase individual laptops for the faculty members.
- Quality improvement programme for the administrative staff was also organized.

Thrust on Communication & ICT: In response to the increasingly influential IT shaping the age of knowledge, efforts were made to familiarize and equip both the teaching and the administrative staff with ICT with the help of IQAC. A major addition to the infrastructure, in this context was: 24 hours web access on the campus, and the availability of a state of the art Video-Conferencing facility. Work towards a Wi-Fi campus is in progress.

Communication leads to communion – The principle is put into practice. The internal communication has been drastically relooked at, with the utilization of the web based mailing and messaging services. This is not at the cost of face to face communication – There have been regular meetings (monthly) and whenever required at other times, of the top advisory body of General Council , Staff Meetings (Teaching & Non-Teaching), and whenever required, of various committees and special committees.

EQ: Personality Development: The students are helped to discover their self with the assistance of two professional counsellors, Ms. Shirly Tharakan and Rev. Fr. Joseph CMI. Ms. Shirly gives an input session to all the classes and follows it up by being available for counselling needs of the students.

The focus of the year was on getting back to the vision and goals of the organization and involving stakeholders at each level of the organization getting involved in the process of realizing them through their activities, tasks, life and relationships. The stress given by the former leadership on 'go green' was maintained and further strengthened. A new waste management system has been introduced. As the college passed through the fourth year of its reaccreditation there were planned efforts to strengthen the systems so that efforts at quality improvement could be sustained, irrespective of and in spite of change in the human resource allocation.

IQAC: Towards this Internal Quality Assurance Cell's role was given increased stress as envisaged by the UGC and its accrediting body NAAC. A full time professional was employed as staff to assist in documentation and follow up of the planning process. IQAC has managed to keep the documentation work up to date, and was successful in sending all required reports to the concerned authorities. It functions with the representative involvement of all stakeholders, viz., students, staff, parents, alumni, local community, state, management, the world of employment and legal system.

This year there were 4 IQAC meetings. We have submitted AQARs of 2007-08, 2008-09 and 2009-10 academic years. IQAC had taken the initiative for the submission of the proposal to UGC for the autonomous status of the college. Three of the IQAC members have presented papers at the National level conferences held at Christu Jayanti College, Bangalore and SB College, Changanassery. The student presentation at S.B. College won the second prize in a national level meet.

SHARE – SH Advanced Research Endeavours was launched as a common platform for the various departments in the field of research, especially,

the science departments. Efforts are on to strengthen the facilities of the shared 'instrumentation room'. SHARE initiated Annual Science Congress where all the PG students take part, and the selected student dissertations from each of the PG departments are presented in the context of a contest, judged by eminent scholars. It is envisaged as the annual get-together of the Ph. D scholars with their guides as well. It has also initiated a lecture series on the Nobel winning contributions to the various disciplines. A laboratory on the wheels exhibiting important instruments visited the campus on 8th February. Dr. M.S. Francis functions as the coordinator.

INSPIRE – This was a unique venture for exposing the higher secondary students to the world of basic sciences and research, and attracting them towards taking up basic sciences as their career. 159 meritorious students from three schools attended the 5 day intensive programme coordinated by Dr. Georgekutty of Physics department. The programme was fully funded by the Department of Science and Technology and was a multi-disciplinary programme involving all the science departments of the college, with Physics department taking the lead.

BIO-RHYTHM – was a three day exhibition jointly organized by the departments of Botany, Zoology, Physics and Aqua-culture as part of the celebration of the international bio-diversity year. About 30 schools made use of the exhibition.

TREE CENSUS – About 150 students of various disciplines participated in the innovative exercise of the 'bio-diversity census' of Kochi Corporation. The programme anchored by Rajagiri OutREACH had experts from S.H. College Dr. V.J. Dominic, Dr. C.M. Joy, Dr. M.S. Francis and Dr. Prasant CMI as consultants and advisors. The participants were given certificates.

LOCAL COMMUNITY SURVEY – The re-accreditation recommendation of a local survey for community outreach was taken up with the department of Economics giving the lead. Dr. Cherian P.E. is the coordinator. Departments of Sociology, Botany, Zoology and Aqua-culture are also involved. About 150 students of various departments are involved in the data collection.

S.H. BLOG – A training programme in blogging was given to the students and a blog has been created. Dr. T.J. James is coordinating the programme.

ANIMAL FARM – The animal farm of S.H. has added a colt – Krishna – to its collection. A horse being bred in such situations is considered to be a rare incident.

Suchitwa Bodhana Yajnam – The college participated in this yajnam, an epic walkathon of environmental volunteers under the leadership of Dr. Pittapillil, former faculty of the college and the director of Mithradam, a research extension centre of the college.

Other achievements

- Faculty members have presented papers in international seminars, attended and presented papers at various national and regional seminars/conferences.
- Our students secured prizes and brought laurels through various competitions held at different places outside the college.
- Constriction of women's hostel is in progress.
- College has received prizes for the campus beautification programme.
- BA English copy editor and MSc Mathematics of self financing streams converted to regular course by the Mahatma Gandhi University.
- Members of the faculty have undertaken research projects and published several research papers during the academic period during the 2010-11. Several faculty members have attended seminars/symposiums/workshops to improve their academic skills and quality in teaching and research. A large number of them were invited as resource persons for invited talks and seminars.
- Many of the faculty are the members of Board of Studies and hold various positions in the examinations of different universities as an evidence of their quality and academic excellence.

Part B

1. Activities reflecting the goals and objectives of the institution:

This year also our departments, clubs and subunits fine-tuned their activities to fulfil the institutional goals and objectives. Report of the important and special performance of the departments, besides their routine teaching, research and extension works are given below:

DEPARTMENT OF ENGLISH

The department has enough reasons to be happy about this academic year too. The lean days are partially over and the strength of the department has literally doubled with the induction of four regular teachers. They are Dr. Binu K. Devassy, Prof. Subhy Tresa Sebastian, Dr. Tom C. Thomas and Prof. Jose Varghese. The department owes a lot to our guest lecturers who complement the activities of the department and the college with their selfless service.

The university results were commendable with a rank each at the UG and PG levels. Ms. Remiya K.A. and Ms. Aswathy C. M. secured second ranks in BA and MA English respectively. The activities of the English Association were inaugurated on 23rd September by Prof. Rangrajan of Maharaja's College. Two media awareness seminars were conducted in association with Image College, Chennai and Commits Media School, Bangalore. Rev. Fr. George Koyikkara Endowment Lecture is slated for 23rd February and Dr. Sebastian Paul has agreed to speak on media ethics. The department is gearing up for the conduct of the Rev. Dr. Thottakara Memorial National Seminar. The department prepares students for the Business English Certificate (BEC) course of Cambridge University, an international benchmark for English language proficiency. The EDIT centre gives hands-on training in editing and publishing magazines and journals. The Department has launched a students' journal – Koppee – a project undertaken by the undergraduate students of BA English Copy Editor. The journal acts as a launch pad to put into practice the editorial as well as literary genius of the undergraduates of the department. Three UGC-funded Minor Research Projects are undertaken by Dr. K.M. Johnson, Dr.

C.S. Francis and Dr. Binu K.D. Dr. K.M. Johnson has attended and presented a paper at the thirteenth International Conference of the Forum on Contemporary Theory held in Chandigarh in collaboration with the English Department English, Punjab University from December 15 to 18, 2011. Prof. Jose Varghese has presented a paper and chaired a session at the second International Conference of Indian Association for the Studies of Australia held at Calcutta from January 22 to 24, 2011. He has also participated in an International Seminar at Central University of Kerala, Kasaragod. Spurred by our new college captain we are involved in the process of preparing a roadmap for the next academic year.

DEPARTMENT OF ORIENTAL LANGUAGES

Department of Oriental Languages, which harbours Malayalam, Hindi, Sanskrit and French, deserves commendation for planning and implementing various cultural activities under the watchful eyes and dynamic involvement of its faculty. Prof. K.J. Narayanan Namboothiri, Ms. Shoba Liza John and Mr. Joby Joseph coordinated the activities of the Literary Club. The Youth Red Cross is being spearheaded by Dr. K.K. Poulose and Prof. Kuriakose Alexander. The activities of AICUF were guided by Dr. K.K. Poulose and Prof. Kuriakose Alexander. The Debate Forum known under the niche 'Mind Matters' was led by Prof. Mathew Jose. Various significant cultural activities were conducted in the auspices of these clubs and forums.

DEPARTMENT OF ECONOMICS

The Department celebrated the Golden Jubilee of the PG programme during the academic year 2009-10. Golden Jubilee celebration of the first Rev. Fr. As a part of the international research collaboration, Dr. M. George visited the Washington University US in the month of September. Four research articles in various international journals were published by the research group headed by Dr. M. George. INSPIRE' a five day programme organized jointly by the department of Physics, Chemistry, Botany, Zoology and Aquaculture was held from December 6-10. The programme, which aimed at inspiring higher secondary students to pursue their higher studies in science, was attended by 150 students from various schools in Ernakulam. The chemistry practical sessions were held in two parts, a magic session followed by a lab session. In the magic session the students were shown different fascinating chemical experiments and in the lab session they were asked to perform some chemical preparations. Quiz contests were conducted every day and the winners were awarded with medals. This chemistry session was held under the guidance of the faculty of the Department of Chemistry comprising Dr. M. George, Dr.V.S.Sebastian, Dr. Thommachan Xavier, Mr.Prasanth.C.P, Mr.Sumesh.M.S and Ms.Rajalakshmi.K. It also saw the active participation of final degree students, who keenly performed the experiments.

Prof. P.J. Joseph memorial intercollegiate science quiz was organised on 14 January in which 11 colleges participated. To inculcate scientific acumen in the young science aspirants, the department has undertaken a programme - an academic research project on water analysis of selected sources by the students of GVHSS Kaitharam in our POLYMER RESEARCH AND QUALITY MANAGEMENT LAB guided by Dr. Thommachan Xavier, Dr. Jinu George, and Dr. Jorphin Joseph. Dr. Franklin J. coordinated the programme. The former students' meet- CHEM-ALUMNI was held on 26th December 2010. A 'Merit evening' is proposed to be held on 3 March to honour the Rank holders and UGC-CSIR NET winners of the year.

DEPARTMENT OF BOTANY

The department is passing through the 53rd year of its establishment and the 26th year of its commencement of MSc course. The Botany association was formally inaugurated on 6th July 2010 by Dr. A.A. Mohammed Hatha, leader of the Arctic expedition team. The department launched the fresh year's activities by the Onam celebrations on 13th August 2010. On 13th August the new computer lab of the department was blessed by the college manger Rev. Fr. Poulouse Kidangan. On 16th August a seminar was jointly conducted by the department and Ernakulam District Horticultural Society on the topic 'Commercial Cultivation of Medicinal Plants and Marketing'.

In connection with the Bio diversity year, 'BIORHYTHM-2010', a science exhibition was held on the 16th and the 17th of September. It was a combined endeavour of Botany, Zoology, Physics and Aquaculture departments. Different stalls of algae, fungi, bryophytes, pteridophytes, gymnosperms, cut flowers, leaves, clean energy and fisheries were included. The department initiated a vegetable garden in the college campus. During the month of October a quiz competition comprising six episodes was conducted in the department exclusively for Botany students. An ever rolling trophy was introduced to honour the winners. The fifteenth PhD from the department was awarded to Sr. Philo T. J. by the M. G. University for the research work conducted under the guidance of Dr. M. S. Francis.

DEPAERTMENT OF ZOOLOGY

The department of Zoology made its mark this year as well in curricular and extracurricular domains. Ms. Lucy Rithu B. G. secured first rank and Ms. Sajna V. H. third rank in the MSc. Examination. Ms. Sreeshma N. N. of BSc bagged third rank in the university examination. Dr. P.A. Sebastian, faculty and Ms. Elizabeth V. Mathew, final year MSc student presented research papers at the 18th International Congress of Arachnology at Sedlce, Poland. Dr. P.A. Sebastian was nominated to the P.G. Board of Studies of M. G. University, Kottayam. Most of the faculty participated in various academic and research conferences.

Zoology Association activities of the year were inaugurated by Mr. P. Balan, renowned documentary film maker and Green Oscar winner. His award winning documentary 18th elephant: Three monologues was screened in the function. Zoology Association actively participated in the 'Biorhythm', an interdisciplinary exhibition organised as part of the International Year of Biodiversity-2010. Zoology students put up a huge sculpture propagating the message to conserve biodiversity. The Zoology museum was kept open for the students of the college and nearby institutions to visit it. NATIONAL SERVICE SCHEME (NSS)

NSS unit of our college made new strides this year by conducting a variety of action-oriented programmes with the guidance of the Programme Officers Dr. K X Joseph & Prof. Sibi.K I, and under the leadership of

Jayakrishnan K B (I Bsc Botany)& Anupa S Viswanath (IBA sociology as Voluntary Secretaries. National Service Scheme has two units in our college with a total of 242 volunteers out of which 80 are boys and 142 are girls.

A number of programmes were organized & conducted by NSS with a view to educate the students through community service and enhance their personality by developing various skills. All the activities launched this year provided sufficient opportunities to the volunteers to interact & work with the community and thereby contribute to community & nation development. The following are some of the major programmes of this academic year:

A one-day Orientation Programme, Stepping-Stone, for the NSS Volunteers was conducted on 21-09-10. Rev. Dr. Prasant Palakkappilli Principal, in his inaugural speech stressed the need for the development of the spirit of service among the students for the well-being of the society.

Dr. K. X. Joseph, Senior Programme Officer, & H OD of Commerce explained the role of NSS in moulding the personality of the individual in the right way. Sibi.K.I. programme officer led the ice-breaking session with some interesting group games.

Thirty two NSS Volunteers took part in a Tree Census conducted by the Corporation of Cochin in association with CMI educational institutions on 7-8-10. All the trees in the Kochi Corporation were enumerated.

As a part of the Observance of Bio Diversity Year, NSS launched an Action –Programme – ‘Plastic-Free Campus’ on 21-09-10. Volunteers collected all plastic wastes scattered in the campus and sorted them as per its possibility for recycling. The programme helped them to realize the danger of the uncontrolled use of plastic. They decided to clean the campus fortnightly and also to continue the crusade against the use of plastics and its dumping in public places.

Gandhi Jayanthi was celebrated with a variety of programmes. The highlight of the programme was the speeches made by volunteers Aravind Babu & Amritha on ‘The Relevance of Gandhian Thought Today’

NSS pays greater attention to the development of personality of its volunteers along with social service. A One-Day Training on Communication Skills & Team Building was conducted on 03-10-10. The

programme enhanced the solidarity and team spirit of the volunteers. 24th September was observed as the NSS DAY throughout the country. NSS Unit of our College celebrated the day colourfully. Prof. Sibi delivered a speech on the 'History of the Establishment of NSS'. Sweets were distributed to all volunteers.

As a part of the Bio-diversity Year the NSS Unit of our college conducted a Two-Day mini camp at Attappady on 9 & 10 of October 2010, with special emphasis on tribal visit & nature study. 50 selected volunteers, under the leadership of Dr. K. X. Joseph, Senior Programme officer, Prof. Roy Zakaria Dept of Botany, Prof. Benny Varghese, Dept. of Sociology & Asst. Prof. Sibi.K. I., Programme Officer, took off the voyage from Thevara on 9-10-10 at 6.00 am .The team observed the bio- diversity of the Silent Valley Forest area & Attappady Hills.The diversity of plants, trees, soil, rocks etc. were examined by the volunteers. We also visited the Settlements of Tribes in Attappady.The volunteers reached their settlements by climbing a 4 Km steep mountain. The volunteers could establish a good rapport with them; understood their socio, economic& cultural conditions; and evaluated the nature & impact of different Special Tribal Development programmes devised by Govt. & NGOS. The interaction with the tribal members was an ever memorable experience for the volunteers. Descriptions on their family, marriage, religious rituals, dress, health, occupation etc. fascinated the volunteers. The volunteers tried to impart awareness of the necessity of a healthy life style. On the whole the mini camp helped the students experience & understand the diversity of Nature as well as the Human life settlements.

NSS celebrated 'Keralappiravi' by conducting a Quiz Competition on 'Kerala Society'. Participants were divided into groups. There were 10 teams. Questions were asked in 5 rounds. Lakshmi & team won the first prize & Della &team got the 2nd position. The winners were awarded prizes by Prof. Sibi. Anupa S Viswanath, Volunteer Secretary conducted the Quiz programme.

NSS organized the launching of Justice Club in the college. Honourable Justice Narayanakkuruppu delivered the key note address.

A spectacular get-together of hundreds of dynamic former NSS volunteers along with a dozen of former NSS Programme Officers was made possible

on 5-12-10 in the college auditorium. The one day meeting was formally inaugurated by Rev. Dr. Prasant Palakkappilli, Principal. Dr. K.X Joseph welcomed the gathering. Most of the volunteers shared their experiences and the benefits received through their volunteer ship in NSS. The meeting was enriched by discussions, evaluations and cultural programmes.

Sixty Five volunteers, including former volunteers, made a visit to D S T Old Age Home at Perumanoor on 12-12-10. The visit was led by Dr. K. X Joseph, Senior Programme Officer. The volunteers cleaned the premise of the home; they interacted with the inmates and staged a variety of entertainment programmes.

The Special Camp of this year was organized at V H S S Brahmamangalam from 23-12-10 though it had a pre mature closing. The camp was conducted in association with the Chempu Grama Panchayath. The volunteers cleaned the compound of the school and discussions and seminars were also conducted.

NSS volunteers actively participated in the 'Suchithwa Bhodhana Yanjam'- an action-oriented Programme aimed at transforming Kochi into a 'Zero Waste Zone' within 15 years. The programme was launched by the Mithradham, Renewable Energy Centre of Sacred Heart Institutions. 50 volunteers took part in the 'Suchithwa Bhodhana Yathra', awareness classes, 'Cleaning Thevara Yanjam', street play etc. The programme was found to be very successful in creating awareness among the common public of the need & necessity of proper waste management& also of an eco-friendly life.

NSS volunteers beautifully decorated the college campus & auditorium for the conduct of the Heartifest- the Cultural Finale of the College on 22-01-11. The highlight of the decoration was that all the materials used for the decoration were eco-friendly. The efforts made by the volunteers received much appreciation.

Almost 33 students from our college donated their blood in the camp.

DIET (COLLEGE CANTEEN)

Despite the inflation in market price of commodities we have managed to provide hygienic and quality food at affordable price. DIET provides outdoor catering to meet the needs of various seminars and workshops conducted in our college, and free meals to a few of our deserving

students. It also gives employment to 16 persons. DIET is a venture of the staff of the College.

CAMPUS RECRUITMENT AND PLACEMENT CELL

The Campus Recruitment and Placement Cell played a vital role in assisting the students during the academic year. Corporate recruitments started picking up during 2010-2011, compared to the previous years, when recruitments were limited due to recession. The campus recruitments of the year commenced during July 2010 with the recruitment by Corporation Bank for the post of probationary officers. For the first time in the history of the college DELOITTE – the leading Audit firm in the world visited the college for recruitment and gave offers to 5 students. In addition, leading companies like Google.com, Outsource Partners International (OPI Global), Radio Mango and so on made campus recruitments. A total of 72 students have been selected / short listed for employment during the academic year. The highest salary offer of Rs.36,000/- p.m. was made by DELOITTE. The placement cell also conducted a number of soft skill training programmes for enhancing the employability of the students, by bringing the world class trainers available in Kerala. The placement cell co-coordinator Dr. Thomas T.P. attended a number of placements-related seminars organized by various industrial organizations like Suderlands Global services. At the bidding of the cell, 25 students of the college acted as volunteers at the UK education exhibition organized by the British Council and 12 students acted as volunteers at the World Education Fair organized by Edwise Educational Consultants.

CO-OPERATIVE SOCIETY

The College co-operative society completed 34 years of service. This year 10 students availed the benefit of Vidarthi Kshemanithi, a project to empower the economically weak students.

ST. VINCENT DE PAUL SOCIETY

The society has seven active members and fifty five auxiliary members during this academic period. 13 families in the neighbourhood were

adopted by the society and provision for their daily ration was made available to them on a weekly basis. It afforded educational help worth Rs. 33000/- to 17 students of the college. In addition to extending financial assistance to 13 adopted families and medical help to 9 families, the society arranged temporary help to 7 families. The financial aid was garnered from the internal sources, mainly contributions from the staff of the college. This year an amount of Rs. 149881/- was collected and spent Rs. 151107/- for different projects.

21. Improvement in Library Services

The general library of the college has collection of over 76,432 books and it subscribes to 73 journals. During the current year 1473 numbers of books were newly purchased (Rs. 8, 08,572/-) Rs. 70,905/- were spent to

the subscription for periodicals and journals. In addition to the general library, there are departmental libraries for Economics, English, Botany and Zoology. The general library has spacious reference section with a seating capacity of around 120 and has a collection of over 10, 000 books for reference. Computerization of the library has helped the issue of books more easy. The library has also a good collection of audio visual material for different subjects.

22. New books/Journals subscribed and their value:

This year, the library has purchased 1473 books which cost Rs.8, 08,572/-

23. Courses in which student assessment of teachers is introduced and the action taken on student feedback

Feedback received from both the UG and PG Classes. Student requests and suggestions were incorporated in the academic and infrastructural activities of the college. Faculty and the Management have given utmost importance to the feedback received from the students and appropriate action has been taken. Some of the faculty members conducted GD and personality development programmes to PG and UG students. All faculty members assessed the student feedback received and necessary changes have been made in the teaching learning process.

24. Unit cost of education

The unit cost of education including and excluding the salary component are Rs. 30291/- and Rs.7711/- respectively.

25. Computerization of administration and the process of admissions and examination results, issue of certificates:

College office administration such admissions, examinations results, salary bill etc is fully computerized.

26. Increase in Infrastructure Facilities

Improvements in infrastructure facilities like laboratory upgradation, departmental renovation, additional facilities to departments, audio visual

aids, teaching and learning materials, new equipments and facilities related to ICT enabled learning were added to the departments.

- First-aid facilities for all departments
- Students centre renovation
- Installation of sanitary pad vending machine
- Establishment of health centre
- Recreation facilities for staff members
- New flooring at 2nd floor
- Installation of surveillance cameras

27. Technology Upgradation

Department of Computer Science	All computers have been installed with Windows XP and MS Office 2007
Aquaculture	220 litter capacity refrigerator
Economics	Internet facility and mimio board
Commerce	Implementation of four new computer, two printers and UPS
Zoology	Upgradation of computers – 2 Electronic Balance with 0.1mg precision(Shimadzu Japan) – 1 Microscopic Image Projecting System(Magnus India) – 1 Image Analysis Software(Magnus Pro) – 1 Rotary Microtome(Yorco India) – 1 Stereo Zoom Microscope(Magnus India) - 1 Compound Microscope (OLUMPUS India) – 4 High Definition LCD TV - 1 Charts - 40

Botany	<p>A special computer lab was established with 10 machines. All the computers were given with the internet facility. A Polymerase chain reaction equipment was installed. One Spectrocolorimeter, Photographic Research Microscope and Deep freezer was also purchased.</p>
Physics	<p>Computer lab Upgraded Hot air exhaust without electricity was fixed in the Physics lab</p>

28. Computer and internet access and training to teachers and students:

Computer and internet facilities are available to all the staff and students of the college. Teachers and students are being trained in the new computer laboratory. DELNET and INFLIBNET facilities have been introduced in the PG classes of the college.

Computer Centre

The college has a computer centre capable of providing high quality training to the students. In recognition of the quality and standards maintained by the computer centre, the central govt and IGNOU has accredited the centre for conducting various courses & programmes.

Networking

College office, departments, library, PG classes are linked through wired and Wi-Fi method. It facilitates digital learning, internet access, on line classes, interactive sessions.

Internet access

Accessing the internet is encouraged for learning purposes and is often a part of exercise and assignments given to the students. The college offers internet access to the students at a subsidized rate in the computer centre.

Audio- Visual Centre

Audio-Visual Equipments are arranged for the students and staff to conduct classes, discussions, Tele conferencing etc.

29. Financial aid to students:

The college is distributing all available government scholarships to the students. This year we have disbursed the amount of Rs.4201410/- in this connection. Parent teacher association and student welfare trust have spent Rs.55839/- and Rs. 87800/- respectively as financial aid to various activities and scholarship to the students. Departments have instituted so many scholarships to our students in addition to the above financial aids.

36. Activities of the Guidance and Counselling unit:

The cell functions under the guidance of Dr. V.T. Jose and Dr. Thommachan Xavier. It has a full-fledged facility with a reading room, attached to the library, where a full time employee is appointed to facilitate the function. The Career Guidance Forum organised a seminar and aptitude test in association with TIME on Nov. 23, 2010. A talk by Prof. Manoj Menon, career consultant, Rajagiri School of Social Sciences on group discussion and interview techniques proved beneficial to the students. The Naipunya International Academy also targeted our students and imparted information on academic and career avenues within the country and abroad.

The counselling unit, coordinated by our Women's Cell, organized counselling sessions on a regular basis and classes on relaxation techniques for the first and third year undergraduate students. On all these days personal counselling is made available to the students and many benefited from this facility. The unit makes use of the service of Ms. Shirley Tharakan, a professional counsellor. A pain and palliative care seminar was held in July 2nd week, followed by an outreach programme in association with Youth Red Cross and Women's Forum.

37. Placement services provided to students:

The Campus Recruitment and Placement Cell played a vital role in assisting the students during the academic year. Corporate recruitments started picking up during 2010-2011. The campus recruitments of the year commenced during July 2010 with the recruitment by Corporation Bank for the post of probationary officers. For the first time in the history of the college DELOITTE - the leading Audit firm in the world visited the college for recruitment and gave offers to 5 students. In addition, leading companies like Google.com, Outsource Partners International (OPI Global), Radio Mango and so on made campus recruitments. A total of 72 students have been selected/short listed for employment during the academic year. The highest salary offer of Rs.36, 000/- p.m. was made by DELOITTE. The placement cell also conducted a number of soft skill training programmes for enhancing the employability of the students, by bringing the world class trainers available in Kerala. The placement cell co-

ordinator Dr. Thomas T.P. attended a number of placements – related seminars organized by various industrial organizations like Suderlands Global services. At the bidding of the cell, 25 students of the college acted as volunteers at the UK education exhibition organized by the British Council and 12 students acted as volunteers at the World Education Fair organized by Edwise Educational Consultants

Part C: Detail the plans of the institution for the next year

A comprehensive plan for the academic year 2011-12 was conducted during March 2011 with the help of all the units of the college. Different programmes were chalked out based on the five values of assessment of higher educational institutions.

- Contributions to national development
- Fostering global competencies among students
- Inculcating a value system in students
- Promoting the use of technology
- Quest for excellence in all disciplines

Various programmes were planned and incorporated with the academic calendar of the college for the year 2011-12 as follows.
