The last date for applying will be 11:59 P.M. on 20th February 2020.

Procedure of selection

1. We will review the applications and the shortlisted candidates will receive an email from us to register for an online test in the last week of February.
2. The dates for the online test will be 7th/8th March 2020. At the time of registration, the student will have to select their preferred test date between 7th and 8th March 2020.
3. On the day of the test, the candidates will receive an email with the test link and login credentials. The test can be accessed using a webcam and mic-enabled PC/Laptop with a decent internet connection from any quiet and well lit location. The test will be proctored through the webcam and mic and we recommend that the candidates attempt this test in complete privacy.
4. This test will have a 45 minute Multiple Choice Questions (MCQ) section and a 10 minute Asynchronous Video section. As soon as you complete the MCQ section, your score will be calculated and in case your score is above the qualification criteria, the Asynchronous Video Section will begin. In case your score in the MCQ section is below the qualification criteria, your test will end.

Based on the performance of the candidates in the test, we will shortlist candidates for interviews and details of the same will be shared with these candidates and the college well in advance to the date of interviews.
