Declaration of Autonomy Status to College

08 AUGUST 2014

- Chief Minister Shri. Oommen Chandy declared autonomy status.
- Result of relentless effort by IQAC of the college.

Sacred Heart College has completed seven decades of service in building an enlightened society, through a relentless quest for wisdom, with a righteous heart!

The founding vision of establishing a Catholic university found partial realization when the University Grants Commission granted Sacred Heart College autonomous status on June 13, 2014. The college became one of the first colleges in the state to attain this status. This status was formally declared in a colourful function by **Sri. Oommen Chandy**, the honourable Chief Minister of Kerala on August 8, 2014.

In spite of the delays in getting the required clearance from the state and the university, the possibilities and blessings for the students were proven with exams being conducted in time and results being announced in time. The students have immediate access to dealing with their problems – shortage, revaluation, re-checking etc. A special thanks are due to the Government of Kerala, MG university authorities, and above all, our staff, especially, the faculty members who have painstakingly shouldered the burden of this transition.

Special thanks are due to Dr. T.J. James, the then staff secretary, IQAC coordinators led by Dr. Joseph Moolayil, Dr. C.M. Joy as a special officer for putting the autonomous system on track.
