INTERNAL QUALITY ASSURANCE CELL (IQAC)

Vision Statement

The Internal Quality Assurance Cell (IQAC) of Sacred Heart College, Thevara addresses and monitors the quality parameters of the college and ensures that the standards of excellence reflected in the vision and mission of the college are met and sustained.

Mission Statement

*To ensure and sustain quality, integrity and output.
Cultivate, enhance and disseminate knowledge by facilitating the required resources in time to excel in academic and professional pursuits.*

Objectives and Functions of IQAC

- *Coordinate quality-related activities by developing an organized methodology of documentation and internal communication.*
- *Integrating the activities of the College to ensure adoption and dissemination of good practices.*
- *Spearheading the conduct of internal and external Academic Audits of departments to promote quality, accountability and transparency.*
- *Creating and maintaining a system of feedback on processes and policies of the College from stakeholders.*
- *Initiating and coordinating the process of restructuring the syllabus to create a progressive curriculum that is in tune with the demands of the time.*
- *Preparing the Annual Quality Assurance Report (AQAR) as per NAAC guidelines.*

INDUSTRY INSTITUTE INTERFACE

Sacred Heart College completed two years of autonomy in 2016. Its various bodies, the IQAC, the Governing Council, the Academic Council and the Boards of Studies, had been very insistent that the college have to have periodical interface with the industry and the business world so that the curriculum could take care of the expectations of job providers as well.

Accordingly, an industry – institute – interface was held on October 27th Thursday, 2016.

The interface is meant to serve the following purposes:

- To present the programmes, curricular inputs and student profile before the leading employers of the city
- To gather insights regarding attributes the employers expect from the employees as a preparatory input for the next round of curricular revision
- To gather inputs regarding industry relevant courses (add ons) and programmes (New programmes)
- To find possible avenues for industry-institute collaboration – e.g., CSR, Research, Internships and Placements.

At the end of the programme, it was possible to identify the features, attributes and qualities an employer is looking for. These characteristics will be considered while redefining the syllabus and will probably be incorporated in it.

STUDENTS' ACHIEVEMENTS

- College secured 9 championship points for the first time in different items of MG University sports tournament.
- 9 students represented Indian in International level for different games.
- Sojimon Joseph has been selected to represent India in the Under 19 cricket team.
- Arjun M R represented India in the junior badminton team.
- Maria Rony secured bronze medal in Asian table tennis.
- Salman Nizan represented Kerala in the Ranji cricket team.
- Ashique Darvesh represented India in the beach handball team in Dubai.
- College secured fourth position in the MG University youth festival.
- Cadet Jugal Vipun Ved participated in the Republic day parade at Delhi representing Naval wing from Kerala and Lakshadweep directorate.

VISIT OF NOBEL LAUREATE PROF. EI-ICHI NEGISHI

2010 Nobel laureate in Chemistry Prof. Ei-Ichi Negishi visited the college on 16 February 2017. Professor Negishi delivered the keynote lecture in the International Seminar on Negishi Coupling Reactions organized by the Department of Chemistry. Professor Negishi also inaugurated the INSPIRE 2016 programme.

CHAVARA EXCELLENCE FOR SOCIAL SERVICE LECTURE BY DR. E. SREEDHARAN

Dr. E. Sreedharan, famously known as the 'Metroman' of the country delivered the Chavara Excellence for Social Service lecture in the college on 21 March 2017.

TRAINING PROGRAMMES ORGANIZED FOR TEACHING & NON-TEACHING STAFF

IQAC and various departments of the college organized 12 professional training programmes for the teaching and non-teaching staff. 10 Training programmes were organized for the teaching staff while two programmes were organized for the nonteaching staff. The list of the programmes and report of the selected programmes are given below.

Sl. No.	Title of the Program	Date
1.	Faculty Induction Programme for the Newly Recruited Faculty	13-06-2016 to 21-06-2016
2.	Training programme on ornamental fish breeding	19-07-2016 to 22-07-2016
3.	Faculty Orientation Programme on Web of Science in Academic Research	08-08-2016 to 08-08-2016
4.	FDP on Gender Sensitization	22-09-2016 to 22-09-2016
5.	Faculty Orientation Programme on NIRF Ranking	12-10-2016 to 12-10-2016
6.	Workshop on Research protocol	29-10-2016 to 29-10-2016
7.	Orientation for teachers on PBAS and API Scores	06-12-2016 to 06-12-2016
8.	FDP on Computational Quantum Chemistry	05.02.2017 to 07.02.2017
9.	Faculty Development Programme on Professional Ethics	23-02-2017 to 23-02-2017
10.	Training on Question Bank Setting Software	27-03-2017 to 27-03-2017
11.	Training for Effective Communication Skills	18-11-2016 to 18-11-2016
12.	Training on Admission software	24-04-2017 to 24-04-2017

FACULTY ORIENTATION & INDUCTION PROGRAMME 2016

The IQAC of the college organized a Faculty Orientation & Induction Programme, 2016 for the newly joined faculty members. 19 New Faculty members belonging to different disciplines attended the six-day orientation programme. During the orientation, attendees were introduced to the Vision, Mission of the College along with information concerning the academic structure and working of an autonomous college. The orientation was led by Rev. Fr. Johnson X Palackappillil CMI (*Principal*) and Dr. Joseph T Moolayil (*IQAC Co-ordinator*). Experienced resource persons led the induction programme in each planned sessions. The programme was organized with an overall introduction to the activities of the college for faculty members as well as for students. Dr. Thomas Abraham led a theme centered interaction session for the participants. The six-day orientation was structured in such a way that it facilitated the participants with information regarding the academics as well as about the college as a whole.

TRAINING PROGRAMME ON ORNAMENTAL FISH BREEDING

The training started at 9.30 am on 19th July 2016 after being inaugurate by Rev. Fr. Jose Kuriedath, Manager of the College. Dr. V.C. George welcomed the participants, Mr. Vimal Kumar, Joint Director, MPEDA gave the felicitation address and Dr. Anna Mercy, the Course director expressed vote of thanks.

30 ornamental fish entrepreneurs' farmers from different parts of Kerala participated in the training. The training consisted of both theory and practical aspects of ornamental fish breeding, larval rearing, aquarium tank construction, live feed culture, fish feed preparation, fish diseases, best management practices, quarantine, and water quality parameters. A class on the subsidy schemes of Marine Products Export Development Authority was also conducted by an officer from MPEDA.

FACULTY ORIENTATION PROGRAMME ON WEB OF SCIENCE IN ACADEMIC RESEARCH

Fr. Sales Librarian of the college organized an orientation programme on Web of Science in Academic Research. College Librarian Mr. Biju V. V. was the resource person for the programme. The objective of the program was to introduce the application of web of science for the faculty members.

Vice Principal Rev. Dr. Jose John CMI gave the opening remarks. He urged the participants to understand the applications of web of science databases for improving their quality of research. Mr. Biju V. V. demonstrated the applications of web of science. He stated that

web of science provides a comprehensive citation data for many different academic disciplines.

FDP ON GENDER SENSITIZATION

Internal Quality Assurance Cell (IQAC) of the college organized a faculty development programme on 22 September 2016, Thursday. The program for faculty members was a one-day program from 9.30 am to 4.30 am.

The theme of the program was "**Gender Sensitization**". The resource person for the programme was well known scholar and Rev. Fr. Jose Mulangattil MCBS. The faculty development program was inaugurated by Principal Rev. Dr. Johnson X Palackappillil CMI. This FDP was aimed at enriching the faculty members with the knowledge in gender sensitization.

FACULTY ORIENTATION PROGRAMME ON NIRF RANKING

The IQAC of Sacred Heart College organized a *faculty orientation programme on National Institutions Ranking Framework (NIRF)*. The objective of the orientation programme was to make the faculty members aware about different parameters of NIRF Ranking and the procedure of documentation associated with it. The programme was an IQAC initiative. Principal Rev. Dr. Johnson X

Palackappillil CMI remarked that it is extremely important for the institution to secure high ranking in NIRF. IQAC co-ordinator Dr. Joseph T Moolayil presented the details of five parameters of NIRF ranking. He explained all the questions in each parameters. Dr. Joseph insisted that NIRF gives highest priority to teaching, learning & resources with 0.40 ranking weight. The graduation outcomes comes just below teaching, learning & resources with 0.25 ranking weight. He then presented the details of documentation at faculty level, department level and IQAC level.

WORKSHOP ON RESEARCH PROTOCOL

2016 Edition of Heartian Science Congress was held on 29 October 2016. A workshop on Research Protocol was organized in connection with the Heartian Science Congress.

The resource person for the workshop was **Dr. Ullasa Kodandaramaiah**, Department of Biology, Associate Professor, IISER Thiruvananthapuram. The workshop was inaugurated by Rev. Fr. Dr. Johnson X Palackappillil CMI. The technical

session of the workshop was delivered by resource person Dr. Ullasa Kodandarmaiah. He explained research protocol as a document that outlines the planning of the study. The plan must be designed to answer the research question and it must also provide a detailed description of the objectives, design, methodology and statistics used. The protocol in effect is the cookbook for conducting the study.

PERFORMANCE BASED APPRAISAL SYSTEM & ACADEMIC PERFORMANCE INDICATORS

The internal quality assurance cell (IQAC) of Sacred Heart College organized an orientation programme for faculty members on performance based appraisal system (PBAS) and Academic Performance Indicators (API). The orientation programme was aimed at making the faculty members well-informed about the PBAS and API rules. IQAC co-ordinator Dr. Joseph T Moolayil introduced the resource person Dr. Jogy Alex and welcomed him and the participants to the programme. **Dr. Jogy Alex**, Associate Professor of St. Thomas College, Pala and senate member of M.G. University, Kottayam. Dr. Jogy was an experienced man in the area of service rules and UGC regulations. A large number of junior faculty members are going for promotions and it is extremely useful for them to have a good knowledge about the PBAS and API system.

SCIENCE ACADEMICS LECTURE WORKSHOP ON COMPUTATIONAL QUANTUM CHEMISTRY

Post Graduate and Research Department of Chemistry Sacred Heart College Thevara and Indian Academy of Sciences jointly organized Science Academics Lecture Workshop on "Computational Quantum Chemistry" held at Computer Science Laboratory of the College on 05 to 07 January 2017.

The Program was a Three Day Hands on Training Lecture Workshop in Computational Chemistry for College Teachers. 100 Participants from various parts of the nation attended the workshop. Classes led by Fellows of Indian Academy of Sciences and experts in computational chemistry. Prof ED Jemmis (Professor IISC Bangalore) was the convenor and Dr Abi T G (Assistant Professor, Sacred Heart College) was the coordinator.

FDP ON PROFESSIONAL ETHICS

Internal Quality Assurance Cell (IQAC) of the college organized a faculty development programme on 23 February 2017. The program for faculty members was a one-day program from 9.30 am to 4.30 am. The theme of the program was "*Professional Ethics*". The resource person for the programme was well known scholar and former Principal of St. Stephen's College, New Delhi, Rev. Valsan Thampu. Rev. Valsan Thampu in the first session, gave a brief definition of what is meant by professional ethics. Professional ethics encompass the personal and corporate standards of behavior expected by professionals. The word professionalism originally applied to vows of a religious order.

FACULTY TRAINING ON QUESTION BANK SETTING SOFTWARE

The examination cell of Sacred Heart College Thevara organized a training programme on question bank setting software. The program was held in Hadrian hall on 27 March 2017 at 3.00 pm. Two selected faculty members from each department participated in the training. The training program was aimed at familiarizing the faculty members on the usage of the new software introduced for question bank setting. Controller of Examination Dr. Samson Davies opened the training program and stated that question banks are necessary for an efficient and fool-proof examination system. Dr. V. J. Dominic introduced the software in the beginning. Dr. Dominic also explained the tagging procedure of questions. The tagging procedure is helpful in eliminating the duplication of questions.

TRAINING FOR EFFECTIVE COMMUNICATION SKILLS

IQAC of Sacred Heart College organized training programme for effective communication skills for the non-teaching staff. The objective of the program was to enrich the communication skills of administrative staff. Effective communication is vital for the successful and smooth functioning of the office.

Mr. Bijo N Mathew, Assistant Professor in English, Sacred Heart College, Thevara was the resource person for this training programme. The resource person **Mr. Bijo N Mathew** is an established trainer for effective communication skills. As introduction, he said getting the message across in a way that is clear and coherent is a critical skill in the professional and personal life. There were different model communications during the program in order for the participants to get the idea of effective communication. 15 Non-teaching staff participated in the programme.

TRAINING ON ADMISSION SOFTWARE

IQAC of Sacred Heart College organized training programme on admission software for the non-teaching staff. The objective of the program was to familiarize the staff in charge of admission process about the operation of the software. The college has an automated admission process since it became autonomous.

The IQAC organized the training program in the light of the automation process. Technical expert of the software Mr. Shifas A A led the training programme. He introduced all the fields in the software and explained various drop-down menu. Then the participants were given a hands-on experience in entering all the necessary data by a mock admission process. The non-teaching staff in charge of admission process participated in the training.

FACULTY DEVELOPMENT PROGRAMMES ATTENDED BY FACULTY MEMBERS

Faculty members attended various faculty development programmes like refresher courses, orientation programmes, workshops and short term courses. The list of faculty members and the details of faculty development programme they attended are enlisted below.

Sl. No.	Name of Teacher	Title of the Program	Duration
1.	Fr. Antony P. T.	Faculty Induction Programme for the Newly Recruited Faculty by IQAC, SH College, Kochi	13-06-2016 to 21-06-2016

FINANCIAL ASSISTANCE PROVIDED TO FACULTY MEMBERS

The college provides financial support to faculty members for attending conferences, presenting research paper in conferences and taking membership in professional bodies. In the academic year 2016-17, fifty seven faculty members were given assistance for participation in conferences in India and abroad. Eight faculty members were also given assistance towards professional body membership. An amount of Rs. 2.59 lakhs was provided to teachers for the same.
