

HEARTIAN RESEARCH MEET JULY 2023 MONSOON SESSION

Greetings from SHARE!

We are very glad to inform you that SHARE (Sacred Heart Advanced Research Endeavour) of Sacred Heart College, Thevara, Kochi, jointly with the Department of Zoology, has arranged the current year Monsoon Session researchers Meet on the 15th of July, 2023 from 9:30 am onwards at Melesius Hall, Sacred Heart College.

The research meet is intended to provide a platform for exchange of research knowledge and information, apart from academic enlightenment. The programme focuses on research scholars who are pursuing their respective research programme. Research scholars from various disciplines are expected to participate and make presentations during the meet. It is mandatory for all research scholars to be present for this meet as part of their academic progression as well as for the academic quality assurance. A participation certificate to this effect will be issued to all those present, as a basis to forward the academic progress report to the University.

This year's monsoon session's key note address will be by Dr. Suresh N. Nair, Kerala Veterinary and Animal Sciences University, Mannuthy. He will be enlightening the session on the topic 'HOW TO PUBLISH A RESEARCH ARTICLE: STEP BY STEP PROCEDURE'.

We wholeheartedly welcome all our beloved research scholars, research guides, teachers, students and staff to our research meet. A hearty welcome to all!

Rev. Dr. Jose John CMI
