Department of Economics, S H College, Thevara

Sub: Explanation for the M. Phil Programme in Economics- Scheme & Syllabi- Approval of Board of Studies of M.G University- reg.

Ref: 1) U.O.No.110/2/ Ac. B VII/2016/ Acad. Dated: 17th June 2016

2) SHC- Autonomy/GC/ Acad/ 2014-15 dated April 21, May 11 & Aug. 13, 2015

3) University Laws (Third Amendment) Act, 2014

The decision for commencing the M. Phil Programme in Economics for the academic year 2015-16 was taken by the Board of Studies (BoS) of the Department of Economics, S.H. College, (Autonomous), at its meeting on Nov.1, 2014. The scheme and syllabi for the same were discussed and approved in that meeting. The Academic Council of the College at its meeting on March 21, 2015 approved the scheme and syllabi. The Governing Council approved the same on April 20, 2015. With the recommendations of the above bodies, the proposal for M. Phil Programme in Economics was submitted to the Mahatma Gandhi University on April 21, 2015.

As per the University Laws (Third Amendment) Act, 2014 and Amendment of Act 12 of 1985- In the Mahatma Gandhi University Act, 1985 (12 of 1985), Chapter IX (Autonomous Colleges), section 118. (3), The Board of Studies or Expert Committee, as the case may be, shall within thirty working days from the date of receipt of the proposal, consider it for the Academic Programme referred to in sub- section (2) and approve, reject or return the same with remarks, to the Vice Chancellor. Provided further that where the Autonomous College, which submitted the proposal has not been informed of the decision within thirty working days from the date of submission of the proposal to the University, the proposal shall be deemed to have been approved by the University except where the proposal is against national interest.

It is to be mentioned in this context that even after five months from the date of submission of the proposal, we were not informed of the decision of the University in this regard. So, in this circumstance, as per the above-mentioned Act, we assumed that the university had approved the scheme and syllabi of the M. Phil programme in Economics proposed by us. Accordingly, the College had notified the admission to this programme on October 1, 2015 and the admission was completed on 27th October and the classes were started on October 29th 2015.

Note 2 (BoS Meeting held on 12/7/2016)

Agenda Item No. 5

Guiding of Research Scholars by the Faculty Members of Affiliated Colleges.

The Doctoral Research Committee of Sacred Heart College, which met on July 15, 2016 examined the new guidelines by the university regarding doctoral guides.

As per the notification inviting applications for registration for Ph. D. Degree (No. M. G University Notification No. Ac. AX/3/Ph.D. Regn/2016, Dates: 11-07-2016), 2016, based on UGC guidelines, only regular teachers of Mahatma Gandhi University Departments/ Affiliated Colleges/ Regular faculty members of institutes of national importance are eligible to supervise the research. At present, the retirement age of University teachers in M.G University and other Central Universities is 60 to 65 years while that of Affiliated College teachers is 56. Many of our retired faculty members are very active and fully involved in research activities with full time and part time research scholars under their supervision.

This UGC guideline and the University Orders are against the liberal spirit that is being introduced into higher education. The concept of retirement from government service, if taken into account, the research centres and Ph.D programmes in private universities and self-financing colleges would not have any recognition, which is not the case. Hence this will be a case of clear discrimination against Affiliated Colleges.

The experience and scholarship of many teachers will not be available for the hundreds of students seeking higher learning through research programmes. It is proposed that the teachers with stipulated qualifications (degrees, experience and publications) be permitted to be guides till the age of 65, irrespective of the fact of their being in government service or not.

In this age of virtual class rooms and global connectivity beyond the physical availability, physical presence on the campus need not be a barrier either. However, conditions may be laid down regarding the minimum requirements of physical availability of chosen guides on the campus.

It is proposed that a submission in this regard be made to the University and the UGC that approved guides of affiliated colleges be permitted to supervise students till the age of 65.

Academic Council ratified and approved the proposal.

Agenda Item No. 6

Other matters, if any, with the consent of the chair.

Some of the members suggested a convocation for the granting of the PG degrees. It was also suggested to conduct a common admission test for admission to the PG programmes.

The meeting came to an end at 4:30 PM.
