

INSPIRE Science camp (16/02/2016)

INSPIRE Science Camps is a scheme initiated by Department of Science and Technology (DST), Govt. of India under its INSPIRE (Innovation in Science Pursuit for Inspired Research) program to attract and retain a large number of students in basic sciences and to promote research and innovation. The camp is for bright young students studying in 11th standard and is intended to expose them to the excitement and methods of science, research and innovation, just prior to the time when they make their career decisions. Inspire 2016 was inaugurated by Nobel Laureate in Chemistry, Dr EI-CHI Negishi. The residential camp was organized for five days on 16th 20th February 2016.
