

Coconut Day celebrations (01/08/2015)

Department of Botany observed Coconut Day by exhibiting products made from coconut on 01st August 2015. The students were able to explore different products made out of coconut. **Coconut production in Kerala**, plays an important role in the economy and culture of the region. Kerala is actually named after the coconut tree with "Kera" meaning Coconut tree and "Alam" meaning land so means "Land of Coconut Trees".
