

GENESYS - ZOOLOGY FEST

19/01/2017

Genesys, an Intercollegiate fest by the Department of Zoology was organised on 19th January 2017. Inter-collegiate competitions such as Exemplar, Photography, Scientium Literarium, Poster Design and Inquizitor were conducted as part of the fest.

EVO-DEVO GENESYS'17

SCIENTIUM LITERARIUM
Be drawn to visual arts for it can expand your imagination. Let your work be consistently visible and valuable. Empower yourself to be a visual thinker and express your mellifluous words.
It is not the strongest of the series that survive nor the most intelligent, but the most responsive to change...

EXEMPLAR
The real voyage of discovery consists not in more landscapes but in having new eyes! So get ready to ignite the fire of the seeker in you.

INQUIZITOR
Let the perennial curiosity linger on and once you get the right answers, be ready to burn your brain on other queries.

PHOTOGRAPHY
As the earth has a music for those who listen, nature can gift you valuable moments! So focus, capture and let your work be great for people will run out of words.

POSTER DESIGN
Imagination will often carry us to worlds that never were. But without it we go no where! It's power can take us much farther than naked eye could actually see.

Registration open: Rs 50 per head
