

## Observance of World Population Day (11/07/2016)

National Service Scheme of Sacred Heart College observed world population day on 11.07.2016. It was the Governing council of the United Nations Development Programme that recommended 11 July be observed as World Population day. This year's theme was 'investing in teenage girls'. The N.S.S unit displayed charts and placards in front of the college to bring into attention the enormous difficulties faced by teenage girls in our nation and around the world.
