

TANDAV – COMMERCE FEST

11/01/2018

Tandav is an Inter Collegiate management and cultural fest organized by the Department of Commerce for the past 15 years. It gives a platform for students of other colleges to actively participate and exhibit their skills. It is completely planned and executed by the student's right from organizing the management games and hoisting the students of other colleges. Initially Tandav started with a humble beginning in the year 2000 wherein it was a one day fest. Over the years it grew in size and now it is a two day event. The two-day fest was a blend of events like she entrepreneur, ad selfie, scrap auction, football and best manager.
