

Women Empowerment Programme (26/08/2018)

A talk was organised by Swasti, Womens' Cell on 26th August 2018 about the topic "Engendering Public Sphere Need and Relevance". Ms. Manjula Bharathy, Professor, TISS, India & Fulbright Research Scholar, Rutgers, USA was the resource person. She talked about the immediate need to redesign the public places at least imaginatively to suit the needs of women and children. She inspired our community to stop inhibiting women from enjoying their private space physically, mentally and socially.
