

## **Training in Paper Bag Making (04/08/2018)**

The National Service Scheme Unit of SH College organized a training on paper-bag making for the students on 4<sup>th</sup> August 2018. The main purpose of the training programme was to inculcate entrepreneurial skills within the students. Students have shown great enthusiasm to participate in this eco friendly initiative. about 90 NSS volunteers participated in the Green Venture. Fr. Principal, who visited the students during the camp said that initiatives similar to this will take us closer to the dream of maintaining a green and clean campus. He said plastics should be completely banned in and around the campus and carrying a plastic bag should be treated as an offence to the environment. He also suggested making arrangements in the SH Diet Canteen to switch over to more sustainable kinds of ways even in providing parcels. During the inauguration of the event Principal announced a special green award for the clean classrooms. He also suggested that one day should be earmarked each year to clean the campus. The paper bags made in the camp were distributed in the nearby shops.

The brochure features a white background with a large, textured orange brushstroke across the middle. At the top, there are three logos: the National Service Scheme (NSS) logo in blue and red, the Sacred Heart College (SH) logo in green and white, and the college's crest. The main title is written in a white, hand-drawn font on the orange background. The date and location are printed in red at the bottom.
