Agenda :

- To consider the course structure and syllabus for the 2015-2016 admission batch.
- To discuss about the components of internships for the batch 2015-2016.

The convener of Bos, Mrs. Regitha Baiju has given a warm welcome to all the members of Bos. She delivered a ppt presentation which gave the brief discussion about the scheme of structure of the course programme BSc Computer Applications. She explained the modality, flexibility, possibility of higher study and job opportunity of the programme.

Recommendations:

During the discussion, the following points were discussed.

1. Dr. Brotha Krishna . J. Prakash said that there are more demand of post graduate students in the IT industry. He told that the attitude, skill and knowledge of candidates are more discussed when they appear for an interview.
2. Dr. Varghese Paul said the importance of addition of practical oriented papers in the syllabus. In his opinion, the papers should contain the topics which

would be related to the current trends of IT.

3. During the discussion, Prof. Santhosh Kumar said that the department should conduct in-house project for the students in the 6th semester.
4. Mr. Sudhevan told that the department should initiate to promote the students for doing certificate course which will be beneficiary for them to achieve job in TANC.

Solutions:

1. Members of BOS gave suggestions and alterations in the curriculum.
2. Industrialist Dr. Gopalakrishnan has accepted our request for doing internship ^{of students} in his company. ~~to the~~
3. One of the BOS members has given the assurance for conducting soft skill training for the department students.
4. Dr. Gopalakrishnan agreed to give personality development and awareness of career opportunity for the students.

The meeting came to an end by 12 pm.
