

Minutes of the Board of Studies in Statistics 2017-2018

SACRED HEART COLLEGE KOCHI

Minutes of the Board of Studies in Statistics meeting held on 22/07/2017 at Sacred Heart College Thevara.

The meeting started at 11 A.M. The following members were present

- 1) Dr. Cyrus Antony (Chairman) *Cyrus Antony*
- 2) Dr. Johny Saria, Associate Professor, Marico College, MUPM *Johny Saria*
- 3) Dr. Jeevanand E S, Associate Professor U.C College, Aluvissery *Jeevanand E S*

The meeting approved the minutes of the previous meeting held on 14-10-2016. It also discussed in detail about the existing syllabus of the UG courses and made a comparison of the new syllabus introduced by the MG University from 2017-18 academic year onwards. Since the existing syllabus is superior than the new syllabus of the University in content wise and conceptual wise, the meeting decided not to change the existing syllabus at present.

The meeting suggested to consider the possibility of course introducing new PG programme in 'Business Analytics' in collaboration with the Commerce Dept. of the College or in association with the Indian Statistical Institute (ISI) Bangalore.

The meeting also suggested to consider the possibility of starting PG diploma programme in 'Statistical Analytics' which will be very beneficial for graduates in Social Sciences and Commerce.

The meeting authorised chairman to make necessary changes in the curriculum and syllabus put forwarded by the AC or GC based on its merits.

The meeting came to an end by 1:30 pm.

Minutes of the Board of studies meeting of Statistics at Sacred Heart College (Autonomous) Thevara, held on 12/07/2018

The meeting started at 10.30 A.M. The following members were present

1. Dr. Cysiac Antony (Chairman)
2. Dr. Jobay Scaria
3. Dr. Lakshmi Priya R

The meeting approved the minutes of the previous meeting held on 22/07/17. The meeting discussed in detail about the existing under graduate syllabus of Statistics (Complimentary courses for Bsc mathematics and core courses for Bsc CA) and compared with the Mahatma Gandhi university syllabus. Since our existing syllabus appeared to be superior to the revised syllabus the Bos decided to continue the existing syllabus for these subjects.

The Board of studies decided to modify the syllabus of Statistics course for BCA (Basic Statistics, 3rd semester). The details appended

The meeting proposed to commence a new undergraduate Programme (Triple main) in mathematics with Statistics and Business Analytics as core subjects. (Details are appended).

The meeting decided to request to the Academic Council and the Governing Board to take necessary steps to start a Post Graduate Diploma programme in 'Statistical Analytics' which was discussed in ~~earlier~~ Previous Bos. The course will be beneficial for students in Social Science and Commerce.

Another Proposal also came to start a new P.G Programme in 'Business Analytics' in Collaboration with either the Department of Commerce of our College or Indian Statistical Institute

(ISI) Bangalore.

The meeting came to an end by 12.30 P.M.

1) Dr. Guruswamy Anandam (Chairman)

2) Dr. Johny Scada

3) Dr. Lakshmi Priya R
