6	The syllabus has good balance between theory and application			X		
7	The curriculum has prospects for higher education/ employment				X	
8	Awareness on the recent developments in the field is provided					X

Write the extra skills you wish your employee had acquired from his college:

It would be good to provide the student, with slightly more practical knowledge in line with what the industry needs today. A good example would be to provide them an indepth understand on how to use MS Excel. Also look to increase the number of industry guest lectures.
