

## CURRICULUM FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

Programme: BA ENGLISH COPY EDITOR

Year of Curriculum Revision: 2018-19

Year of Curriculum Implementation: 2019-20

Sl.No	Feedback	Action taken
1	The difficulty level of the syllabus is not fair.	Courses have been graded as per the difficulty level to minimise the burden on students. The new syllabus has been designed in tune with the national framework of curriculum design.
2	The curriculum is not enough to develop self-confidence and self-reliance to face various competitive and other examinations.	The two new courses introduced as common courses focus on communication skills, interview skills, group discussions, writing skills and editing skills which equip them to face various competitive and professional examinations.
