 ■ Disagree
 ■ Strongly Disagree

Suggestions for curriculum improvement from parents:-

1. Strong association with corporate houses needed so that a graduate becomes Employable / Self Employable
2. already has a strong support from this college for the career oriented students
3. Instances of exam fee online website giving troubles and had to pay the fees twice. Curriculum is very good and is imparted in an excellent way
4. I am satisfied with S.H. Thevara
5. Scope for development in media department
6. More attention may be given to the point at sl.no 6 , so that the final year students can take a perfect decision on the matter when he/she gets out of the college
7. Life management skills may be imparted to all students
8. Uniform, ladies toilet cleaning
9. Involvement of students verifiable by parents
10. Net coaching can be introduced as add on from 3rd UG onwards
11. encourage for competitive courses/examinations
12. CBSE students need additional content in curriculum activities as the present curriculum, they have completed in 12th itself. so need more practical in training
13. Better specialised facilities
14. Excellent, thank you so much
15. Advice for improvement of studies
16. More programmes
17. Consistency of faculty may provide better attention for students
18. Try to include students attitude for the study subject, correct them
19. Avoid political party activities in the college campus
20. It would be great if you can modify the syllabus with respect to the practical application
21. Should be more students friendly. give proper time to prepare for exams
22. Lab to be improved with new products. Academic oriented external projects to be introduced. relation of college management, faculty, parents to be improved
23. Better support expected for internship

24. Giving students more exposure to the current trends in the industry by conducting workshops, interactive sessions on a regular basis
25. Make students have a detailed research on topics and improve self-taking opportunities
26. Provide career guideline consultants
27. Satisfied
28. Apart from theoretical knowledge, the practical application of the subject can be included
29. Need more add on
30. Better college website and student portal. Regular attendance registering system
31. give opportunities for students to review various level career options and strongly pursue their preferences from 2nd year start onwards
32. Need more add on
33. More emphasis can be given to the core subjects to impart more practical knowledge
34. More career development skills should be provided and syllabus should be improved
35. More public or transparent display of how the ethical values and principles are practically being applied in the students daily lives
36. More emphasis on the use of college library may be useful
37. Can improve remedial coaching to weaker students. Slow learners are to be addressed. there are shy students who are talented have to be identified and promoted
38. New software should be included in the curriculum
39. Feedback from alumni should be incorporated into future curriculum revisions
40. Needs more support and strict actions
41. Should be a bit more strict with the students
42. If can arrange seminars or workshops on the current and future of the curriculum to understand the situation
43. Make the course more career oriented and creative
44. I am fully happy and content about the present working especially with the whatsapp group, that all information are properly conveyed
45. should provide more study materials for theory

46. Children may require more depth information about software using
47. Better discipline
48. Improve the practical class rooms, change to latest technology
49. Study tours with an intension to mix with nature should be organised
50. Should provide more opportunities for employment
51. Training programmes and job opportunities
52. Include more training section in the curriculum
53. The placement and job opportunities should be promoted from reputed companies
54. Job placements related to our course should be promoted
55. Training programmes, more practical sections
56. Improve the facility of classrooms
57. Job opportunities provided from different companies
