# PROSPECTUS

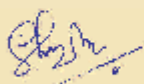

## MESSAGE

I welcome you to the UG CAP Prospectus 2014-15 of the Mahatma Gandhi University. This Prospectus for admission to the Undergraduate Programmes of the Mahatma Gandhi University through the Centralised Allotment Process for the year 2014 is presented to the entire student community with extreme satisfaction. The Prospectus aims to make information sharing even more quick and effective through updating the website and run alive.

Designed with the purpose of making the University process as transparent as possible, it also aims to provide up-to-date information relating to Colleges and programmes running. The CAP covers all the affiliated colleges under the University and provides immense opportunities and supports the students with the online facility to select and submit their options to the University for securing admission to a College of their choice to pursue their higher studies. CAP is a single window system that ensures all the eligible students seek admission to a programme on the basis of their own options. It also ensures that all the seats in the entire colleges remain filled by the most deserving candidates.

I believe that the Prospectus for UG CAP for the Academic Year 2014-15 will be a useful guide to the student community and will be helpful to the parents and teachers in understanding the ingenious and beneficial methods of the CAP.

Priyadarshini Hills,  
16-05-2014.

  
Dr. Shiksha Shankar  
Vice-Chancellor-in-Charge

## FIRST WORD

Mahatma Gandhi University introduced the Centralised Allotment Process (CAP) in the academic year 2010-2011. Initially, admissions to PG Programmes alone were managed through CAP, but later it was extended to UG Programmes as well.

The greatest advantage of CAP is that the applicants need to submit only one application online for admission to any number of Colleges/Programmes. In this way, they are able to save valuable time, energy and money. The applicants can also track the status of their applications from time to time. Thus, an excellent opportunity to choose the Programme/College of their choice in a hassle-free manner is open to the applicants. The decisive factors in the allotment for an applicant to a given Programme/College are the options submitted, academic record and other socially determined norms applicable. First of all, the marks /grades secured by a candidate at the +2 level decide the eligibility for admission to UG programmes. Under the Pre-CAP system, the applicants were to visit various institutions for the submission of applications and to keep in contact with them to get updates on the progress of admission procedure. CAP, on the other hand, opened a single window eliminating wastage of time, effort and money, besides minimising the element of anxiety from the point of the applicant.

The **UG CAP – Prospectus - 2014** provides the complete information about the online allotment process, and details of the colleges and programmes.

Above all the CAP team of experts of the University is at a click/call away with technical assistance and guidance to the needy aspirants.

## **ATTENTION**
