## INTRODUCTION

On September 26<sup>th</sup> 2012, I was the recipient of being a part of an IIT Madras Summer Internship program by Anirudh, the website visited on February 27<sup>th</sup>. The requirement of the program was mostly for students going into the IIT Madras with the aim of obtaining an internship.

# INTERNSHIP REPORT

## ROLES AND RESPONSIBILITIES

I was in charge of the content management strategy. The job included creating new content for the website and managing the content of the website. I was also responsible for the design and layout of the website.

Another challenge that was to control and organize the content as per the design and layout. The design and layout of the website was also a challenge.

During the period of managing all work of the department, I was also responsible for the design and layout of the website. I was also responsible for the content management strategy.

My work was assigned by the department and I was responsible for the content management strategy. I was also responsible for the design and layout of the website.
