

TO WHOMSOEVER IT MAY CONCERN

This is to state that I have produced the film ORE UDAL (ONE BODY) Malayalam ,14 minutes in 2015 with Asha Achy Joseph,Dean ,SH School of communications as script writer and Director. The total cost of the film was Rs 4.5 lakh.

It is my great pleasure to acknowledge that the film has traveled world wide to a number of festivals .It was the only film from south India in the non-feature category to the prestigious Indian Panorama of International Film Festival of India 2015.

Asha has done her job very well and I wish her very well and I wish her the best in all her future ventures.
