clear indication of the growth in the per capita income of the nation. He predicted that India can reach to the level of a developed nation by 2025 if the financial growth is stable and the conditions are favourable.

Fr. Prasant Palakkappillil, principal of the college, in his inaugural address appreciated the economics department for arranging a budget analysis meeting every year immediately after the budget. He pointed out that such an initiative gives a platform for students and teachers of the college to come together every year to have a discussion on the budget which is an important even of the nation touching upon the growth of the nation and lives of the citizens. He exhorted the researchers of economics department to do further deliberations on the budget and to publish papers.

The Q&A session was very vibrant with relevant questions raised by the participants and brilliant answers given by the recourse persons. The meeting came to an end with a vote of thanks delivered by Prof. Alphonse Liguori, staff of economics department.
