Event Report

The Department of Commerce (Travel and Tourism) organized a seminar on tourism. The session was led by Dr. Sudha Yahuda Kovesh Shaheb, an international traveler on 04-08-2015. The Head of the Department Prof. Sojan T. S. presided the meeting. He spoke about the relevance of tourism to keep a strong human bonding across the world. Dr. Sudha Yahuda Kovesh Shaheb, in his keynote address shared his experiences as a traveler who has visited more than 100 countries. According to him, travelling is a key to knowing deeply about different worlds and different cultures. He maintained that the

exposure that one attains from travelling makes an individual broad minded and humanitarian. The talk was followed by an interactive session where he mingled with the students to talk about the possibilities of tourism in Kerala. He urged the students to make proper use of these possibilities to develop their skills and subsequently their lives. The 70 participants of the seminar indeed had a worthy time listening to Dr. Shaheb's exploration of human minds through travelling.
