Event Report

A seminar was organized by the Aquaculture Department on “Indian Marine Molluscan Resources, exploitation and Conservation challenges in the 21st century ” on 28th July 2016 . The resource person for the program was Dr. Sunil Muhammed, Principal Scientist & HOD of Molluscan Division ICAR –CMFRI . Dr. Sunil, a renowned scientist, took a very comprehensive session which gave a great insight regarding Indian Marine system to the students. India is blessed with vast resources potential such as fin fish and shellfish and the talk focussed on the availability of molluscan resources in our country. He also focused on the challenges faced in the conservation of these resources. He concluded his talk by emphasising the need of protecting our marine ecosystem. The inaugural address of the talk was given by Head of the Department of Aquaculture department.
