

Seminar in association with World Ozone Day

Title:	World Ozone Day
Date:	17.09.2018 - 19.09.2018
Venue:	Fr. Melesius Hall, Portico, Ground
Focus of the Event:	Entrepreneurship and skill development
Organizing Body:	Centre for Environmental Studies and Bhoomithra Sena
Resource Person:	Dr. E. P. Yesodharan
Total Number of Attendees:	58

Event Report

The World Ozone Day 2018 was celebrated with a variety of events on September 17, 2018. The event was inaugurated by Prof. E. P. Yesodharan, Professor (Emeritus) at School of Environmental Studies, Cochin University of Science and Technology and presided over by the Principal Fr. Dr. Prasanth Palakkappillil. The Popular Lecture by Dr. Yeshodharan was on the pertinent topic, "Flood or Drought? How the ozone layer is our savior?" In his presentation, Dr E. P. Yesodharan, stressed the need to protect the ozone layer and also pointed to the tragic consequences awaiting us, if we fail in our mission to abide by the Montreal Protocol. an international agreement signed by most of the industrialized nations in 1989 to reduce the use of ozone depleting

substances which contains Chlorofluorocarbon"s (CFC"s), halons which releases chlorine and bromine to the atmosphere. The seminar discussed the impacts of sea level rise and the considerable number of calamities caused due to the rise of sea levels and floods. A Poster making competition was held as a part of ozone day celebration on 17th September 2018 near the Marian hall at College the theme, "KEEP COOL AND CARRY ON THE MONTREAL PROTOCOL". Cash awards of Rs.1000, 750, 500 were given to the first, second and third place winners, respectively. A field trip to Cochin International Airport Ltd (CIAL), was conducted on 19th September 2018, to study about the non-conventional energy source (solar energy) based on which CIAL has been operating since the commencement of the plant. Cochin International Airport became the first fully solar powered airport in the world with the commissioning of the plant. Mr. Jerry John, Junior Manager, CIAL, gave an overall idea about the solar plant
