Aadra Stem Cell Donation Campaign- Workshop

Title:	Aadra Stem Cell Donation Campaign-Workshop
Date:	06.08.2015
Venue:	Sacred Heart College Auditorium
Focus of the Event:	Research Methodology, Concern for Others
Organizing Body:	NSS, Sacred Heart College
Total Number of Attendees:	100

Event Report

The NSS unit of Sacred Heart College (Autonomous), Thevara organized the Aadra *Stem cell donation campaign* on 6th August 2015. The campaign was organized to spread awareness among the young people and motivate the youngsters to register as a donor. The campaign elaborated the procedures of stem cell donation as once the donors have given their consent, the sample was taken and sent to the laboratory for further procedures and finally the result was uploaded in their association portal. This provided possible matches for patients or needy people with hematological disorders. Students from various departments and clubs participated in the campaign. Majority of students were highly inspired and motivated by the real-life videos played on the occasion. The campaign was a highly successful one as a good number of students
