Prof. V. A Joseph Endowment Seminar

Title:	Prof. V. A Joseph Endowment Seminar
Date:	29-11-2017
Venue:	Fr.Melesius Hall
Focus of the Event:	Research Methodology
Organizing Body:	Department of Chemistry
Resource Person:	Dr. Vinesh Vijayan (IISER Thiruvananthapuram)
Total Number of Attendees:	170

Event Report

The Post Graduate and the Research Department of Chemistry of Sacred Heart College, Thevara organized the Fourth edition of Prof. V.A. Joseph Endowment Seminar on NMR Techniques in Chemistry on 29th November 2017. This endowment was instituted by the colleagues, students and the family of the late professor to promote educational activities and conduct lectures, workshops for the diffusion of knowledge. The current lecture delivered by Dr. Vinesh Vijayan, Assistant Professor, IISER Thiruvananthapuram, was based on Quantum mechanics and statistical thermodynamics. Dr. Ignatious Abraham of the Department of Chemistry coordinated the seminar.

<p>Post Graduate & Research Department of Chemistry, Sacred Heart College (Autonomous) Thevara, Kochi cordially invites you to the 4th "Prof. V A Joseph Endowment Seminar on "NMR TECHNIQUES IN CHEMISTRY" to be held on 29 November 2017. The seminar will feature thematically arranged invited lectures in the area of spectroscopy.</p> <p>Sacred Heart College, Thevara</p> <p>Sacred Heart College, Thevara is an autonomous college in Kerala affiliated to M G University, Kottayam. The college was established in the year 1944 by the Carmelites of Mary Immaculate (CMI). It was originally affiliated to University of Madras. The college is ideally situated, on a peninsular strip known as Thevara, in the city of Kochi. The Vembanad Lake adds to the beautiful ambience of the campus. As a crowning glory for its history of academic and non-academic achievements, the institution obtained Autonomous status in June 2014.</p>  <p>Department of Chemistry</p> <p>The Department of Chemistry was established in 1946. It offers one undergraduate programme and two post graduate programmes (Pure & Applied Chemistry-Pharmaceutical). The Department is a recognized research center under Mahatma Gandhi University and is now supported by DST under FIST programme.</p>	<p style="text-align: center;">Prof. V A Joseph Endowment Seminar</p>  <p>Prof. V A Joseph served the Department from 1966-1997 as a member of the faculty and later as HOD. Prof. V A Joseph Endowment is instituted by his colleagues, students and his family with the objective to promote educational activities and conduct lectures / workshop for the diffusion of knowledge in chemistry on research, industrial and technical aspects. The lecture / workshop will be conducted every year and the sessions are handled by expert scientists. The current lecture is based on Quantum Mechanics and Statistical Thermodynamics and the presentation is based on MSc chemistry syllabus of various universities of India.</p> <p>Registration</p> <p>Registration is compulsory for all participants.
