Event Report

The students of the college conducted a survey under the initiative of HEAL and the survey was inaugurated by Dr.Gangadharan. This event was organised as a part of the community service initiative of the college. The survey revealed a steep rise in the number of cancer patients. The survey was carried out in the villages surrounding the college. A symposium on cancer prevention and awareness was also conducted by HEAL after the survey. during the symposium Dr. Gangadharan, a famous oncologist commented that unhealthy lifestyle and the use of pesticides in farming as the major reason for this climb in the number of cases. He also stressed on the importance of leading a stress free life in maintaining a healthy body.
