Event Report

Global Tiger Day, often called International Tiger Day, is an annual celebration to raise awareness for tiger conservation, held annually on 29 July. The goal of the day is to promote a global system for protecting the natural habitats of tigers and to raise public awareness and support for tiger conservation issues. World Tiger Day was commemorated by the Zoology Association in a befitting manner on July 29, 2015. In connection with this a talk on the importance of tigers for keeping the balance of ecosystem was given. A Tiger Quiz involving questions on tigers was the highlight of the programme.
