Event Report

An exhibition named “HEURISKO” was organized by the students of First B Com Taxation (SF) on 31st January 2017. It enabled the students to obtain new insights about research and its basis by doing research studies regarding various types of research like investigative, policy, agricultural, case study etc. As part of the exhibition, a quiz competition was conducted at 12:50 pm in the college portico. Students from various departments participated in the competition. Prizes were given to the students for answering the questions. The quiz was a great success as all the questions were answered by the students and the number of participants was beyond our expectations. To give away the reward for the effort undertaken by the students, who made models on various topics, cash prizes worth Rs1000, Rs700 and Rs500 were initiated. After the announcement of the winners, the cash prize was awarded by Rev.Dr.Prasant Palackappillil CMI, Prof Dr. K. T. Peter and Prof. Dr.T. P. Thomas respectively. About 90 students participated in the programme.
