*Event Report*

The state of biodiversity, at the global as well as national and local levels, continues to decline despite an increase in conservation efforts, largely because the pressures on biodiversity continue to increase. Biodiversity underpins a wide range of services to humans that support economies, food production systems and secure living conditions. The loss of biodiversity at genetic, species and ecosystem levels also affects human health in many ways, Plant and animal species in all groups are

the challenges and opportunities for integrating the three core issues of climate change, biodiversity and sustainability. It was a rare opportunity for the students to sit together with experts in the concerned field and utilize the theoretical knowledge that have been acquired from the class rooms to a practical level problem solving.

In view of this, the PG & Research Department of Zoology, Sacred Heart College, Thevara organized a UGC sponsored National conference on the topic “Biodiversity, Climate Change And Sustainable Development: Issues, Challenges And Oppourtunities” on 6<sup>th</sup> and 7<sup>th</sup> January, 2016 at Fr. Melisius Hall. The conference was inaugurated by Dr. Dr. Oommen V Oommen, Chairman, Kerala State Biodiversity Board. Rev. Dr. Jose Kuriadath CMI, our beloved manager presided over the inaugural ceremony. Dr. K. V. Raju, Head of the PG & Research Department of Zoology welcomed the gathering. Rev. Dr. Prasanth Pallackapillil CMI delivered the felicitation address. The resource persons of the two day conference were Dr. Francy Kakkassery, Dr. Shijo Joseph and Dr. Rajeev Raghavan. The Vote of Thanks was delivered by Prof. Jobin C Tharian, Seminar coordinator who expressed his gratitude for the presence of the dignitaries. About 120 students were participated in the seminar.
