The candidates have to report the Research Centre immediately and their date of registration is the date of joining course work which will be conducted from 1st January every year (if not a holiday) which is applicable to the part-time Research scholars too, irrespective of their joining in spells. However, in the case of candidates having scholarships like JRF/MANF etc. the effective date of registration will be the date of this order itself.

The registration will be confirmed only after the successful completion of course work.

Orders are issued accordingly.
