Message

I am extremely happy to acknowledge and appreciate the fact that the NSS unit of Sacred Heart College, Thevara, Kochi, Kerala, has undertaken exemplary social service and welfare activities giving special focus on the socially deprived and underprivileged sections of the society

The house reconstruction activities undertaken as part of flood relief at 2 cent colony, Purayar, Desam, Aluva by NSS Volunteers under the leadership of the Programme Officer Dr Remya Ramachandran was remarkable and deserves special mention

I hereby extend my best wishes to all their future endeavours"

With regards,

Yours sincerely
