Dear Madam,

I am extremely happy to acknowledge and appreciate the fact that the NSS unit of Sacred Heart College, Thevara, Kochi, Kerala has undertaken exemplary social service and welfare activities giving special focus on the socially deprived and underprivileged sections of the society in different parts of the Ernakulam District

The flood relief activities covering relief, rehabilitation and reconstruction in flood-affected areas during the calamitous period were remarkable and deserve special mention. The green initiatives of the NSS unit are also commendable.

I hereby extend my best wishes to all their future endeavours.

With regards,

Yours sincerely,

(Prof. K.V. Thomas)
