INTERNSHIP CERTIFICATE

This is to certify that **Maria B. Thekaekara**, third year student at Sacred Heart College, Thevara, has interned at 360 Degree NGO from May 2nd to May 29th, 2019.

During the course of the internship she

- Helped manage the accounts of the NGO for the month of April-May and
- Coordinated the financial aspects of the Gift A Story campaign, an initiative to build libraries in the flood affected schools in Kerala, and prepared the budget for the second phase of the campaign.

During the course of the internship, Maria was found to be dedicated and hard working. She was prompt in finishing the work assigned to her and showed no difficulty in taking up any duty allotted to her.

I wish Maria the very best for her future.
