Associate Professor

28 August 2013

**Dr. Frankin John**

**Dr. Jinu George**

PG and Research Department of Chemistry,  
Sacred Heart College, Kochi, India

**Subject: Letter of collaboration**

Dear Drs. John and George,

I am writing this letter to express my willingness to continue our successful collaboration in terms of scientific interaction and other possible help in providing small molecule inhibitors available in my laboratory, including SCR7 for your research.

Looking forward to a productive and long-lasting collaboration in coming years.

All the best for your research.

Sincerely yours,

Sathees C. Raghavan, Ph.D

Associate Professor
