As you are aware that Zoological Survey of India is dedicated its 100 years of service to the nation in documenting faunal diversity of India. To commemorate ZSI's centenary year, the Southern Regional Centre of ZSI is organizing a "*National Seminar on the Faunal Diversity of Eastern Ghats and Western Ghats*" during 3rd & 4th, March, 2016 at Madras School of Economics, Gandhi Mandapam Road, Kottur, Chennai. The conference aims to bring together practicing taxonomists, conservation biologists, biodiversity managers, policy makers and other stakeholders to a forum for discussing and identifying gap areas to formulate the strategies for long term scientific documentation as well as conservation of faunal diversity of Eastern Ghats and Western Ghats.
