About College

Sacred Heart College, Kochi, is a premier institution of higher education affiliated to the Mahatma Gandhi University, Kerala, India. Established in 1944 by the Carmelites of Mary Immaculate (CMI), a catholic religious order for men, the college aims at the fashioning of an enlightened society founded on a relentless pursuit of excellence and a secular outlook combined with a firm faith in God.

Vision

Our vision is the fashioning of an enlightened society founded on a relentless pursuit of excellence, a secular outlook on life, a thirst for moral values as well as an unflinching faith in God.

Mission

Our mission is to provide an environment that

1. Facilitates the holistic development of the individual.
2. Enables our students to play a vital role in the nation-building process and contribute to the progress of humanity.
3. Disseminates knowledge even beyond the academia.
4. Instills in the students a feel for frontier disciplines.
5. Cultivates a concern for the environment.

About Department of Computer Science

The department of Computer Science has started the undergraduate programme, BSc Computer Application (Triple main: Computer Science, Mathematics and Statistics) in 2001 and a vocational undergraduate programme, BCA (Android Application and Cloud Technology) in 2016. Careers in computer science remain in very high demand.
