### **COLLEGE YOUTH FESTIVAL**

#### **MINI REPORT OF COLLEGE YOUTH FESTIVALS**

2014 - 2019

College youth festivals are the cradles of the student's artistic and cultural development. They have become the forum where young artistic talents are discovered. Dance, music in various forms, painting, modelling, writing, dramatics and theatre, are all presented in these competitions. These festivals give students an opportunity to express their talents and win prizes for which certificates are awarded to the winners of various competitions.

Youth festivals also help to preserve our varied cultural heritage. Many of the old forms which are on the verge of decay are preserved and kept alive by including them in the youth festival competitions. This is a boon to the future generations. This will certainly help the cultural growth of the country. As a whole, youth festivals give the opportunity to develop the qualities of mutual respect, love, communal harmony and national integration. Every year Sacred Heart College under the initiative of college unions of the respective year hosts the event named –HRIDYASARGASANGAMAM-The College Youth Festival.
