

Cancer Prevention Awareness Programme (06/06/2015)

A Symposium on Cancer Prevention Awareness was organised by Sacred Heart College to generate awareness among students and faculty regarding cancer and similar lifestyle diseases. The talk was given by Dr. Gangadharan, the famous oncologist. He emphasised on the need to shape life in tune with the rhythm of nature. Around 30 students and 20 teachers attended the symposium. The event was organized after the cancer survey conducted by the NSS unit of the college. The survey revealed a surge in the number of cancer patients. Dr. Gangadharan advised the students to follow a healthy and stress free lifestyle
