REPORT

The IQAC of the College organized a workshop on research methodology. Research is the bedrock of knowledge in general and higher education in particular. The institutions of higher education in India are facing crucial challenge in creating, nurturing and maintaining the level of quality research. Research is essential to develop a sound methodological base of research among the researchers to cope up with challenges in the field of research. A good research methodology is a key to sound research output.

This workshop is an effort to enrich the faculty members and research scholars on research methodology. The resource person for the workshop was Prof. N. Prasanthakumar, who is well known in the field of research methodology. Professor Prasanthakumar was the Professor in the English Department of Sree Sankara Acharya University of Sanskrit, Kalady.

Dr. Cyriac Antony, the Dean of Research inaugurated the seminar. In his inaugural address Dr. Cyriac stressed the need of understanding the concept of research methodology.

In the succeeding session, resource person, Prof. Prasanthakumar explained specifically, the formulation of research problem, formulation of research hypothesis and testing of hypothesis, conducting literature review, data collection methods, selection of appropriate parametric or non-parametric statistical method for analyzing data, and report writing etc.

The sessions by Prof. Prasanthakumar was helpful for the participants to define research problem, developing an approach to research problem and selection of suitable research design. To enable the participants to understand report writing and writing research proposals. To make aware the participants about latest trends in discipline specific research.

28 faculty members attended the seminar.
