REPORT

The Induction Programme for newly recruited Faculty members will familiarize them in their roles as freshly inducted teachers. It will orient them on various generic aspects of teaching learning, instructional methodologies, assessment and evaluation techniques, ICT enabled teaching learning, and equip them with knowledge of University / Institutions rules and regulations, basics of governance and administration.

Inaugural Session

The program started with a silent prayer. Dr. Joseph T Moolayil, IQAC coordinator of Sacred Heart College, Thevara welcomed the participants. He spoke about the structure and schedules of the program. Rev. Fr. Prashant Palackappillil CMI, Principal, Sacred Heart College, inaugurated the program and delivered the inaugural address. In his inaugural address, he mentioned about the vision and mission of the college. He urged the newly recruited faculty members to actively participate in all the activities of the college to make the college triumph greater heights. As participants there were 15 newly recruited faculty members from different departments of the college.

Technical Session

Day 1

The technical session of day 1 started with an ice breaking session by Dr. Sibi K I, where he made two groups of the faculty members and asked them to perform a skit on the topics assigned to them. The faculty members really enjoyed the session. In the afternoon session of the day Dr. C. S. Francis gave a lecture on classroom management in which he gave advices to the newly joined faculty members about effective classroom managements. This was then followed by a presentation by Fr. Dr. Jose Thuravacakal about the history of the college.

Day 2

The day 2 started with a presentation by Dr. V. J. Dominic about the examination system of the college. He explained about the procedures of conducting examinations and retests for the students. The session was followed by another presentation by Dr. Cyriac Antony about the principles of curriculum and syllabus.

In the afternoon session, Mr. Biju V. V. and Dr. Roby Cherian gave a hands on experience on how to use MOODLE LMS. In this session they gave an excellent tutorial on how to create a course page, enroll the users and upload the various study materials in the moodle.

Day 3

The technical sessions of Day 3 was fully allotted for the teaching sessions carried out by the newly recruited faculty members. The session was moderated by Dr. C. S. Francis and Dr. M. J. Mathew. They examined the teaching methods adopted by the faculty members and gave appropriate advices for the betterment of their teaching process.

Day 4

The day 4 session started with a presentation by Prof. V. S. Sebastian about the college rules and student support programs in the college. He explained about the procedures needed to be taken during any unpleasant situations. This was followed by a presentation by Dr. K. M Johnson about the IQAC. In his presentation he explained about the IQAC and its activities.

Day 5

The last day technical sessions started with an excellent group activity by Fr. Sabu Thomas. He engaged the faculty members with some group activities and the participants really enjoyed the session. He then shared a real life story of how student mentoring changed the life of Dr. B. R. Ambedkar. He also shared his own experience on student mentoring.

In the afternoon session, Thomas Peechattu explained about the various extension activities conducted by the college.

In the concluding session the participants shared their experiences about the training program and thanked the IQAC for organizing such programs. The session ended with a vote of thanks by the IQAC joint coordinator.

REPORT

Background

A deeper understanding about the process of research is important towards achieving a systematic research. Likewise writing a research paper poses challenges in gathering literature and providing evidence for making your paper stronger. Plagiarism is the unethical practice of using words or ideas (either planned or accidental) of another author/researcher or your own previous works without proper acknowledgment. Considered as a serious academic and intellectual offense, plagiarism can result in highly negative consequences such as paper retractions and loss of author credibility and reputation. It is currently a grave problem in academic publishing and a major reason for paper retractions.

As an awareness to the researchers about this the IQAC of Sacred Heart College (Autonomous), Thevara organized a workshop on “**Research Process & Plagiarism**” on 23rd October 2014 at Fr. Melesius hall, Sacred Heart College (Autonomous), Thevara to offer practical guidelines and direct the researchers through all the stages of research from identifying a research problem to the submission of a dissertation, report writing and research article.

Inaugural Session

The program started with a silent prayer. Dr. M. S. Francis, HoD Botany of Sacred Heart College, Thevara welcomed the participants and the resource person. He introduced the resource person and spoke about the importance of this workshop for the research scholars and academic community. Rev. Fr. Prashant Palackappillil CMI, Principal, Sacred Heart College, inaugurated the program and delivered the inaugural address. In his inaugural address, Fr. Prashant mentioned about the importance of research and the proper understanding of research. He emphasized about the ethics to be followed in research. The resource person for the program was Mr. Jasimudeen S, Librarian, St. Stephen’s College, Uzhavoor.

Technical Session

Session 1

In the first session Mr. Jasimudeen discussed about the conceptual understanding of research and introduced the participants about conceptual clarity in the process of research and the six steps to be undertaken while pursuing research. He pointed out the practical problems of research scholars in doing a research.

Session 2

In the second session Mr. Jasimudeen discussed about what plagiarism is and what are the different forms of plagiarism citing some real life examples. He urged the participants to avoid plagiarism as it would not only makes us an original writer but would improve the lucidity and quality of our writing.

The workshop ended with a vote of thanks by IQAC Joint Coordinator. He extended his expression of gratitude to all who contributed for the realization of the workshop.

TRAINING ON TIME MANAGEMENT

27 October 2014

*Training Programme on
Time Management*

Effectiveness

Date : 27 October 2014

Time : 3.00 pm

REPORT OF TRAINING ON TIME MANAGEMENT

IQAC of Sacred Heart College organized a training on time management for faculty members on 27 October 2014. The program was organized in collaboration with Association of British Scholars, Kochi Chapter.

IQAC Co-ordinator Dr. Joseph T Moolayil introduced the resource person and spoke on the importance of time management.

The resource person for the seminar was Prof. Mohan Joseph Modayil. **Prof. Mohan Joseph Modayil** was a Planner cum Scientist with more than 50 years of experience in research, planning and development related to marine resource management and HRD.

Professor Joseph stated that Personal Time Management Skills are essential for professional success in any workplace. He mentioned that those able to successfully implement time management strategies are able to control their workload rather than spend each day in a frenzy activity reacting to crisis after crisis. Highly effective individuals are able to focus on the tasks with the greatest impact to them and their organization. Prof Mohan elaborated the following tips of time management.

- Plan and prioritize each day's activities in a more efficient, productive manner
- Overcome procrastination.
- Handle crises effectively
- Organize workspace and workplace
- Delegate more efficiently
- Plan meetings more appropriately and effectively

IQAC Convener Mrs. Agile Joy proposed the vote of thanks

The College

Sacred Heart College (Autonomous), Thevara, Kochi established in 1944 is the first CMI centre for higher learning affiliated to Mahatma Gandhi University, Kottayam and accredited with A Grade by NAAC. It is also recognized by the UGC as a College with Potential for Excellence and became autonomous in 2014.

National Workshop on Autonomy for Colleges - A Means to Quality Enhancement in Higher Education: *The Dimensions of Curriculum Development and Evaluation Strategy*

The University Grants Commission in its guidelines for autonomous colleges clearly states that the present affiliation system is unwieldy and that quality educational transaction is difficult within the present set up. It states that "the colleges do not have the freedom to modernize their curricula or make them locally relevant." UGC clearly affirms that "the exercise of academic freedom by teachers is a crucial requirement for development of the intellectual climate of our country."

The workshop proposes to examine the theoretical and practical implications of the autonomous status of the colleges in carrying out the vision envisaged in the above mentioned UGC documents. The main thrust of the workshop thus is to seriously deliberate on how the multiple dimensions of governance, leadership and management in autonomous colleges can achieve these avowed ideals of education.

Sub-Themes:

Autonomous Colleges and Role of Teachers
Examinations: Techniques, Technology & Quality.
Curriculum development for quality enhancement
Quality benchmarks in autonomy - The role of IQAC
Academic and Social Audit in colleges

Chief Guest

Dr. Babu Sebastian, Vice Chancellor, Mahatma Gandhi University, Kottayam

REPORT

Open Educational Resources (OER) is becoming an important factor in achieving quality education to a larger community. The use of OERs holds great promise of improving the access to and the overall quality of education for the developed as well as the developing countries. The tutors are creating and using digital content for teaching and learning. The access to quality content is possible only for those who attend higher education institutions or those who can afford to purchase the instructional material. The OER movement aims to make this content available for free use for enhancing educational opportunities for hitherto unreached sections of the society thus leading to equalizing of access. OERs can play a vital role in the existing scenario of distance learning by improving quality, access, reach and also providing competitive edge and recognition globally. In view of this IQAC of Sacred heart College, Thevara organized a workshop on **Open Educational Resources** on 16th January, 2015 at Marian Hall of the college. The workshop aims at discussing various opportunities and challenges offered by the use of OERs in the education system.

Inaugural Session

The program started with a silent prayer. Dr. K.M Johnson, IQAC coordinator of Sacred Heart College, Thevara welcomed the participants and the resource person. He introduced the resource person and spoke about the importance of this workshop for the academic community. Rev. Fr. Prashant Palackappillil CMI, Principal, Sacred Heart College, inaugurated the program and delivered the inaugural address. In his inaugural address, Fr. Prashant pointed that the basic idea underlying the concept of OER is the freedom to share the knowledge. The resource person for the program was Mr. Biju V. V., Librarian, Sacred Heart College, Thevara.

Technical Session

In the technical session Mr. Biju gave brief outline about open educational resources and how it could help in improving the quality of education. He then discussed about the opportunities and challenges in the use of OERs. He pointed that OERs could only be effective if there is no technical barriers such as lack of broadband access and adequate resources to invest for computers and software etc.

The workshop ended with a vote of thanks by IQAC Joint Coordinator. He extended his expression of gratitude to all who contributed for the realization of the workshop.

Organized by
IQAC, Sacred Heart College (Autonomous), Thevara

REPORT

Background

Theme-centered interaction (TCI) is a concept and a method for working in groups. Its aim is social learning and development of the person. Theme-Centered Interaction has a holistic view on mankind and focuses on the individual person. Different opinions and lifestyles are respected and thus create an esteeming atmosphere, in which each individual is considered to be important and is supported in his development according to his abilities and wishes. The IQAC of Sacred Heart College (Autonomous), Thevara organized a Professional development program for faculty members on “Theme Centered Interaction” during 27-29 April 2014 at Fr. Melesius hall, Sacred Heart College (Autonomous), Thevara to instill leadership qualities in the faculty members.

Inaugural Session

The program started with a silent prayer. Dr. K.M Johnson, IQAC coordinator of Sacred Heart College, Thevara welcomed the participants and the resource person. He introduced the resource person and spoke about the importance of this program. Rev. Fr. Prashant Palackappillil CMI, Principal, Sacred Heart College, inaugurated the program and delivered the inaugural address. The resource person for the program was Dr. Thomas Abraham, Director, Ripples-Forum for Creative Interventions, Kottayam, Consultant, Commonwealth Youth Programme.

Technical Session

In his lecture Dr. Thomas Abraham gave a historical background for Theme-Centered Interaction (TCI). He explained TCI as a framework to humanely facilitate educational groups and is an important and useful toolset aimed at Social Learning of a certain subject matter. He pointed that TCI aims at enhancing both self-leadership and facilitation skills. He explained about the basics, postulates and practical uses of TCI in management, in the university, in supervision, in education and in social education etc. He concluded that TCI is not only a method of interaction but also an attitude to life that can enhance our understanding and feeling for ourselves and the diversity of people and situations around us. The more we are able to be aware of ourselves, our internal realities and our external environment, the more we will be able to handle complexities of everyday life.

The program concluded with a vote of thanks proposed by Dr. V. T. Jose, Associate Professor, Department of Economics, Sacred Heart College, Thevara.

REPORT

Background

The acronym **MOODLE** officially stands for modular object-oriented dynamic learning environment, is a free and open-source learning management system (LMS). It is used for blended learning, distance education, flipped classroom and other e-learning projects in schools, universities, workplaces and other sectors. Moodle's modular nature and inherent flexibility make it an ideal platform for academic level applications. The IQAC of Sacred Heart College organized a five day faculty training program on **MOODLE LMS** during 11-15 May, 2015 in the Chavara IT Centre of the College. The aim of the programme was to equip teachers to create and deliver personalized learning environments through a free and open source learning management system – MOODLE.

Inaugural Session

The program started with a silent invocation. Dr. Joseph T Moolayil, IQAC coordinator of Sacred Heart College, Thevara welcomed the participants and the resource person, Mr. Biju V. V. He spoke about the context of the training programme. Rev. Fr. Johnson X Palackappillil CMI, Principal, Sacred Heart College inaugurated the program and delivered the inaugural address. The resource person for the program was Mr. Biju V. V., Librarian, Sacred Heart College, Thevara.

Technical session

During the 5 days training program, Mr. Biju gave detailed tutorial on how to

- Create an interactive course page in the Moodle,
- Enroll the users for the course
- Upload videos and other study materials in the Moodle
- Create Assignment
- Add questions in the question bank and Conduct a quiz / exam in the Moodle

He also urged the participants to explore the other plugins in the moodle page in every possible manner to make the courses more appealing. In the final session the participants shared their views and comments about the program.

Finally in the concluding session, on behalf of the faculty members Dr. Ramakrishnan S, Assistant Professor, Department of Chemistry, Sacred Heart College, Thevara congratulated the IQAC for organizing the program and proposed vote of thanks to the resource person and organizing committee.
