REPORT

The IQAC of the college organized a Faculty Orientation & Induction Programme, 2017 for the newly joined faculty members. 9 New Faculty members belonging to different disciplines attended the six-day orientation programme. During the orientation, attendees were introduced to the Vision, Mission of the College along with information concerning the academic structure and working of an autonomous college.

The orientation was led by Rev. Fr. Johnson X Palackappillil CMI (*Principal*) and Dr. Joseph T Moolayil (*IQAC Co-ordinator*). Experienced resource persons led the induction programme in each planned sessions.

During the orientation, the participants had the opportunity to interact with each other and discussed topics and developed a good bond within themselves.

The sessions included:

- College Vision & Mission
- Classroom Management
- The story about Sacred Heart College
- Preparation of Course Plan, setting the POs & COs
- Examination system, Principles of Curriculum and Syllabus
- A workshop on Moodle software and other online teaching methods

The programme was organized with an overall introduction to the activities of the college for faculty members as well as for students.

Dr. Thomas Abraham led a theme centered interaction session for the participants.

The six-day orientation was structured in such a way that it facilitated the participants with information regarding the academics as well as about the college as a whole.

REPORT

The workshop introduced the fundamental concepts of machine learning. It covered an overview of machine learning algorithms and their applications. The training comprised a series of lectures and practical exercises. The participants obtained deep insights of machine learning, which in turn helped them to apply it in practice or as a foundation to a deeper study in this area.

Department of Computer Science has organized a Workshop on “**Practical Machine learning Using Python**” on 27 November 2017. At 10am, the Principal, Fr. Prasant Palackappillil CMI has inaugurated the workshop in the Chavara IT Centre. Department HoD, Dr. Regitha welcomed the principal, faculty members, participants and supporting students. Fr. Prasant has delivered a keynote address and appreciated all endeavours of department. At 11 am the formal function was ended followed by the vote of thanks given by the programme co-ordinator Mr. Shailesh S, Asst. Prof., Department of CS.

After tea, Day 1-Session has been started by Mr. Shailesh. He gave details about introduction to Machine learning and how data science is related to machine learning concepts, types of machine learning and introduction to python. After the lunch break, he has taken a class on NumPy and its different functions. After NumPy class, resource person has continued the class with advanced topics in python. Mr. Shailesh has explained the case study with practical session. Participants did the python programs for creating model using python, found the accuracy. He finished the class by giving the introduction of deep learning and neural networks.

In the valedictory function, all participants have expressed sincere gratitude towards the department and the resource person handled the sessions.

REPORT:

The IQAC of the Sacred Heart College organized an orientation programme on mental health fitness. The program was held on 16 February 2018 in the Marian Hall. The objective of the programme was to provide the faculty members a knowledge on mental health fitness and to raise the happiness index of the college to a higher level. The resource person for the program was Fr. Dr. Varghese Puthussery CMI.

Principal Rev. Fr. Dr. Johnson X Palackappillil CMI gave the opening remarks. He remarked that a happy mind gives a high output. This program is arranged to improve the mental health of the staff of the college.

Resource person Rev. Fr. Dr. Varghese Puthussery CMI is an expert trainer in the field of mental health fitness. Mental health is a crucial aspect which greatly influences the overall well-being of individuals in particular and communities in large. Despite this, a holistic approach toward health is lacking and unlike the physical health, mental health has been largely ignored. The resource person pointed out some tools for keeping the mental health fitness.

Staff Representative, Prof. Sibi K. I. proposed vote of thanks.

REPORT:

IQAC of SH College organized a faculty enrichment programme on the theme equity and inclusiveness. The programme was held on 09 April 2018 in the Melesius hall. The resource person for the programme was Principal, Rev. Dr. Johnson X Palackappillil CMI. The objective of the programme was to inculcate the values of equity and inclusiveness in the faculty members.

Rev. Dr. Johnson X Palackappillil CMI, is a renowned social worker and environmentalist besides the head of an academic institution. He used to give training programmes for faculty members on various topics like professional ethics, social responsibility, equity and inclusiveness etc.. In this session he gave the orientation regarding equity and inclusiveness. Rev. Johnson explained that the fourth Sustainable Development Goal (SDG) is not only about quality education – it is about inclusion and equity. These two words define the very substance of the quality education that we want for the world's children. When social problems surface in the classrooms, the steps toward change are bound to be complex and multi-faceted. Teachers, as part of an education team, hold one thread in a web of prevention strategies. While individuals can take some small steps to end different forms of injustice, the most significant change will take place when the whole collegial culture is transformed. Rev. Johnson urged all members of the college community to play a part.

IQAC joint co-ordinator Dr. K. M. Johnson proposed the vote of thanks.
