Activities during 2018-19 academic year:

1. The preparation and distribution of '*Karkidagakanji*' among students. The planting of '*Desapushpam*' (ten selected flowering plants) along with chart exhibition depicting traditional medicines and knowledge. We had conducted it on 1-08-2018 in the college portico and father principal inaugurated the program.

2. Planting of 75 trees: In connection with our platinum jubilee celebrations, the nature club has initiated to plant 75 indigenous or endemic trees in the campus. So far we have planted five trees (Neermathalam, Cembadak, Ooth, Moottippuli, Punna) and the rest of the saplings are under custody.

3. On 28th Novemer 2018, in collaboration with Bhoomithrasena club of our college, we have established a vegetable garden near to the lake view ground. Fr. Principle has inaugurated the programme.

4. Conducted a hands-on training session on modern garden techniques by Mr. Vishal Satheesh and Mr. Peter Varghese (III DC Botany Students) on 13th October 2018.
