SACRED HEART COLLEGE AUTONOMOUS

Introduction:

Highlighting the importance of autonomous colleges, the UGC document on the XI Plan states: "The only safe and better way to improve the quality of undergraduate education is to de-link most of the colleges from the affiliating structure. Colleges with academic and operative freedom are doing better and have more credibility. The financial support to such colleges boosts the concept of autonomy." It was proposed to increase the number of autonomous colleges to spread the culture of autonomy and the target was to make 10 per cent of eligible colleges autonomous by the end of the XI Plan period.

Need for Autonomy:

The affiliating system of colleges was originally designed when their number in a university was small. The university could then effectively oversee the working of the colleges, act as an examining body, and award degrees on their behalf. Under this system the colleges do not have the freedom to modernize their curricula or

make them locally relevant. The regulations of the university and its common system, governing all colleges alike, irrespective of their characteristic strengths, weaknesses and locations, have affected the academic development of individual colleges. Colleges that have the potential for offering programmes of a higher standard do not have the freedom to offer them. The 1964-66 Education Commission pointed out that the exercise of academic freedom by teachers is a crucial requirement for development of the intellectual climate of our country. Unless such a climate prevails, it is difficult to achieve excellence in our higher education system. With students, teachers and management being co-partners in raising the quality of higher education, it is imperative that they share a major responsibility. Hence the Education Commission (1964-66) recommended college autonomy, which, in essence, is the instrument for promoting academic excellence.

The heartian academic community, especially, the faculty and the administrative staff, has very cautiously, but determinedly, embraced this opportunity, and with utmost dedication, has dispensed its responsibilities in this regard. We aspire to attain that privileged state when the design and delivery of our curricula will be a creative response to the needs and aspirations of the milieu. Steps have already been initiated in this direction at the under-graduate and post-graduate levels. To ensure this, the principal bodies involved in the governance of autonomous colleges, viz., Governing Body, Academic Council, Boards of Studies and Finance Committee - are constituted with adequate representation of experts from all walks of life.

“Let there be no day in your life
in which you did no good to others.”

PARTICIPATORY GOVERNANCE

The administration of the college is made participatory through delegation. Delegation happens through committees, clubs, fora and other assignments for the smooth functioning of the various activities. All such appointments and committees are for one year, unless otherwise specified. The term continues, if no change is announced. A draft prepared with the approval of the Principal is circulated among the staff members for receiving suggestions, however, the Principal has the final say in these matters. As a policy, every staff member takes up at least one committee membership, and guidance of one club/forum or an independent office for service. The student representatives are invited as and when required.

Internal Quality Assurance Cell (IQAC) shall function as the pivotal point of coordination and monitoring of quality assurance, quality enhancement and quality sustenance of the college life. For this purpose, the various committees and tasks are to be subsumed under the seven criteria of quality assessment. Each of these domains shall have a Coordinator, Joint Coordinator and a Convener. Heads of the department, as a norm, are not included, though it is not a strict rule to be adhered to. IQAC planning & monitoring committee shall consist of the General Coordinator, Joint Coordinator & Convener, and the Coordinator/Joint Coordinator/ Convener of these criteria (according to their mutual understanding and availability).

IQAC

Coordinator : K.M. Johnson
 Joint Co-ordinator : Grace Thomas
