ABOUT THE SEMINAR

Department of Chemistry, Sacred Heart College (Autonomous), Thevara, Kochi, Kerala, India organizes the 21st Prof. K.V. Thomas Endowment Seminar & 4th International Symposium on New Trends in Applied Chemistry (NTAC-2023) on 7-8 February 2023. This conference provides an international forum for sharing knowledge and innovations in the field of applied chemistry. Eminent scholars and industrialists from around the globe speak on cutting-edge research in the field of applied chemistry. Sacred Heart College (Autonomous), is one of the premier centers of higher learning institutions in the State of Kerala and is located on the banks of the backwaters of Vembanad in Cochin (Kochi). We invite you to experience with us the scientific talk.

Weizmann Institute of Science, Rehovot, Israel.

PLENARY LECTURES

Prof. Dr. Yitzhak Tor

Department of Chemistry and Bio-Chemistry,
University of California, San Diego, USA.

Prof. Dr. Tamaoki Nobuyuki

Hokkaido University, Research Institute for Electronic Science &
Graduate School of Life Science, Japan.

Prof. Dr. Derval Dos Santos Rosa

Universidade Federal do ABC,
Santo Andre, Brazil.

Prof. Dr. A Srinivasan

School of Chemical Sciences, National Institute of Science
Education and Research, Bhubaneswar, Odisha, India.

Dr. Biju A. T.

Associate Professor, Department of Organic Chemistry,
Indian Institute of Science, Bangalore, India.

Dr. Kaustabh Kumar Maiti

Senior Principal Scientist
Organic Chemistry, NIIST – CSIR, Thiruvananthapuram, India.

Prof. Dr. Kana M. Sureshan

School of Chemistry, Indian Institute of Science Education and
Research, Thiruvananthapuram, Kerala, India.

Prof. V N Rajasekharan Pillai

SACRED
HEART
COLLEGE
Autonomous

Sacred Heart College, Thevara is an autonomous college in Kerala affiliated to Mahatma Gandhi University, Kottayam, Kerala. The college was established in 1944 by the Carmelites of Mary Immaculate (CMI). The college is ideally situated, on a peninsular strip known as Thevara, in the city of Kochi. The Vembanad Lake adds to the beautiful ambience of the campus.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in 1944. It offers one undergraduate programme and two postgraduate programmes (Pure & Applied Chemistry- Pharmaceutical). The Department is a recognized research center under Mahatma Gandhi University and is now supported by DST under FIST programme.

PROF. K V THOMAS

Prof. K V Thomas served the Department as a member of the faculty and later as HOD. He was the union Minister for Food and Public Distribution, Government of India, and the minister for Tourism and Fisheries, Government of Kerala.

Prof. K V Thomas Endowment Trust was established in 2002 by his colleagues and well-wishers for organizing seminars/symposiums annually, to honor their beloved professor.

ABOUT KOCHI

The vibrant city of Kochi lies in the heart of the verdant state, Kerala. Already on the road to metrohood, the city holds a promise to everyone in the holiday crowd. This young city with a deep history is a melting pot of cultures. The Chinese fishing nets, the Jewish Synagogue, and the Dutch palace are some extant signposts. A ride on the blue backwaters will be an unforgettable experience. The Temple town of Guruvayoor, the hill resort of Munnar, and the Five Tiger Reserve at Thekkady are a fix hours' drive away from Kochi. The best of moderate equatorial climate at the visitor to "Gods own Country"
