Navarathri Garba Night

As the festive spirit of Navrathri filled the air, Sacred Heart College welcomed a night of colours, music and celebration with Navarathri Garba Night, held on the 15th of October 2026. Marking the Union Inauguration of the newly elected union, the evening also brought together the First DC and First PG Cultural Night, setting the stage for a vibrant journey for the new union as well as for the students. Kaithang: A Gesture of Kindness and Compassion

The SHC Union's Kaithang initiative continues to spread kindness and compassion through a simple yet meaningful act of giving. As part of this initiative, union representatives collect food packets prepared by students at their homes and distribute them among the needy and homeless every Thursday. With the active participation and generosity of the student community, the initiative has successfully distributed around 55–60 food packets each week, making a small but significant difference in the lives of those in need. Through Kaithang, the union hopes to nurture a spirit of empathy, social responsibility and community service among students.
