WOMEN CONCLAVE 2026

Sacred Heart College warmly invites you to the Women Conclave 2026, scheduled for Thursday, 15 January 2026. The conclave is being organised to commemorate the introduction of women's education on the campus in 1975 and to celebrate the remarkable achievements, leadership, and lasting contributions of women across generations.

A key highlight of the event will be the felicitation of 50 distinguished women alumni of Sacred Heart College, whose inspiring journeys since 1975 reflect excellence, dedication, and a deep sense of commitment that brings honour to the institution.

The conclave aims to serve as a dynamic platform for meaningful dialogue, sharing of experiences, and mentorship, strengthening connections among alumni, students, and faculty, while reaffirming the college's proud legacy of empowering women.

Kindly recommend suitable candidates from your batch, or eligible candidates may get in touch with us directly by submitting their details through this QR Code/Link.

Last date for applying 31/12/2025
